

Wyoming School-University Partnership

www.uwyo.edu/wsup

The Wyoming School-University Partnership seeks to simultaneously improve teacher education and renew public schools through the collaborative efforts of the member school districts, community colleges, the University of Wyoming, the State Department of Education, and the Wyoming Education Association.

Contributing members are a crucial component to this work! Below is a description of events and opportunities that membership dues helped support.

Membership Dues Supported the Following Events in 2010-2011

Four League of Democratic School Memberships

Shared League of Democratic School membership costs (\$250/per school) for Guernsey-Sunrise High School (Platte #2), University Lab School (Albany #1), and Star Center and Woods Learning Center (Natrona #1).

Professional Teaching Standards Board Credits

More than 100 Wyoming educators earned PTSB renewal credits by attending Partnership events.

From 2008-2011 the Qwest Foundation has given \$25,000 to the Lost in Transition Initiative.
