

WYOMING SCHOOL- UNIVERSITY PARTNERSHIP

www.uwyo.edu/wsup

The Wyoming School-University Partnership seeks to simultaneously improve teacher education and renew public schools through the collaborative efforts of the member school districts, community colleges, the University of Wyoming, the state department of education, and the Wyoming Education Association.

Contributing members are a crucial component to this work! Below is a description of events and opportunities that membership dues helped support.

DURING 2009-2010, MEMBERSHIP DUES SUPPORTED:
