

Life Sciences Summit V
UW Outreach Center (951 North Poplar), Casper, WY
Wednesday, May 5, 2010; 8:30 AM – 3:30 PM

Hosted by:

The Wyoming School-University Partnership
The University of Wyoming Life Sciences Program

Summit Goals

1. To consider what course assessments and student work tell us about teacher expectations, student learning, and student success in the life sciences.
2. To use Bloom's taxonomy as one means of evaluating expectations on 'core' assessments.
3. To foster continued conversation and collaboration across secondary and postsecondary levels after this summit.
