

# Wyoming School-University Partnership

## 2013-2014 Accomplishment Highlights

### Mission Statement

The Wyoming School-University Partnership seeks to simultaneously improve teacher education and renew public schools through the collaborative efforts of member school districts, community colleges, the University of Wyoming, the Wyoming Department of Education, and the Wyoming Education Association. Membership dues support all events.

Three new school districts joined the Partnership!

28 of 48 (58%) Wyoming districts are dues paying members.

### Lost in Transition meetings

Literature, Casper  
Life Sciences, Douglas  
Mathematics, Powell  
Teaching Writing in Wyoming, video conference

### Cosponsored meetings

### Lost in Transition participant comments

“Loved the topics, loved the purpose, would love to continue the discussion with those willing to share and listen.”

“Discussions are rich with examples of student work and expectations of teachers.”

Comments are from anonymous participant feedback forms.  
To read the entire transcribed comments for all meetings, visit <http://www.uwyo.edu/wsup/lost%20in%20transition/> and click on the discipline that interests you.

At the 2013 National Network for Educational Renewal Annual National Conference in Albuquerque, Wyoming had 20 participants.

Four Wyoming participants attended the 2013 National Network for Educational Renewal Leadership Summer Symposium, Seattle. The Partnership paid their registration fees.
