

WYOMING DEMENTIA RESOURCE GUIDE

FOR CAREGIVERS, FAMILIES,
& FRIENDS

Northeast Region – Campbell, Crook,
Johnson, Sheridan, & Weston

Introduction to this guide:

Caring for a person with Alzheimer’s disease or another form of dementia can pose many challenges. It can be difficult to know when help is needed and where to turn. The Wyoming Center on Aging (WyCOA) provides this guide as a source of important information about Wyoming dementia resources available to caregivers, families, and friends.

The WyCOA Dementia Resource Guides, representing the five regions of Wyoming, contain local resources specific to the region as well as reputable national resources and statewide Wyoming resources. These guides present user-friendly information that is particularly useful to those impacted by Alzheimer’s disease.

In addition to printed copies of the guides, the most up-to-date version of each guide is available at www.uwyo.edu/wycoa in the “Resources on Aging” tab. We welcome your feedback regarding the usefulness of this guide. If there is a resource or information that should be considered for future versions, please let us know.

Inside each guide is a postcard to send WyCOA your thoughts about this publication. Please take a moment to complete this survey and drop it in the mail.

We hope you find this guide to be useful.

Sincerely,

The WyCOA Team

The Wyoming Center on Aging (WyCOA) has a mission to optimize the health and wellbeing of Wyoming’s older residents and their caregivers through interagency partnerships, basic and applied research, community education, and clinical training and services. www.uwyo.edu | wycoa@uwyo.edu | (307) 766-2829
