Good afternoon,

Thank you to those of you who attended or viewed the deep dive yesterday afternoon where we shared key dates for regarding the transition timeline for administrative, staff, and non-benefited recruitment.

If you were unable to attend the deep dive, it can be viewed on WyoCast. It is recommended you note these important dates either on your calendar or keep this email or attached document close at hand for continued reference.

**Remember, there can be no processing of new hires or start dates between Jan. 1-Jan.22. This includes all academic and student positions as well. Please ensure to have all your completed paper work to HR and through approvals no later than December 17th.**

- **Dec 3rd / Dec 10th**: HCM recruitment live to initiate new job requisitions (posted, but not hired until after 1/21/19).
- **Dec 14th / N/A**: Final matrix sent for review/approval in HRMS.

We have also attached a slide with this information for you to use as a continual reference.
