

WYOCLOUD PLANNING AND BUDGETING

Greetings,

Based on feedback from open labs the ability to budget by program and activity has been added to the Un-Suppressed Gifts – Govt- Review card. Note that the Point of View will default to P_0000 and ACT_0000.

We also advise that you always click the “go” button before entering any data and every time you change the Point of View so that data is entered and saved to the correct account string.

Thank you for your work on the FY19 budgets.

Best,

The UW Budget Office
