

## WYOCLOUD FINANCIAL MANAGEMENT

Greetings,

Below please find two updates on WyoCloud Financial Management.

### **Month End Close**

At this time, the month of May has not yet been closed in Financial Management. The delay in closing the month is due to a technical issue within the system that is preventing the month from closing. We are working with Oracle to address this issue. As is normal procedure, we will notify you when the month is closed via the WyoCloud email.

### **Reporting Deep Dive**

The WyoCloud Reporting Team is holding a deep dive on financial reporting to better help you understand the financial reports available and how to use them. The deep dive is scheduled for

**Wednesday, June 13 from 8:30-9:30 a.m. in Classroom Building 214.**
