

## WYOCLOUD FINANCIAL MANAGEMENT GENERAL ACCOUNTING DASHBOARD

Greetings,

The WyoCloud Team wanted to make you aware of a **new feature available in WyoCloud Financial Management that provides another way to view financial information, including information on budget to actuals**. This new feature, called the General Accounting Dashboard, allows you to run comparisons on a variety of transaction totals and budgets between periods, quarters, and years.

For example, a user can compare what was budgeted for the year to actual transactions posted to the general ledger for the year to date. The General Accounting Dashboard also allows you to drill into actual totals for transactional level details. A [quick reference guide](#) has been developed to show you more details about using the General Accounting Dashboard.

If you need assistance, please contact the UW Help Desk and submit a ticket. The UW Help Desk is your first resource and quickest response for questions. You can contact the Help Desk by emailing [userhelp@uwyo.edu](mailto:userhelp@uwyo.edu) or by calling 766-4357 and selecting option #1.

Best,

The WyoCloud Team
