

## WYOCLOUD APPROVALS

Greetings,

Per the communications yesterday, several users had reported not being able to approve transactions in the WyoCloud system. Last night, Oracle made an adjustment to the system that should address the approvals issues. This morning, users have reported being able to approve transactions. We believe Oracle's adjustment to our system has resolved the issue with transaction approvals. However, if you continue to have issues approving transactions, please contact the Help Desk ([userhelp@uwyo.edu](mailto:userhelp@uwyo.edu) or 766-4357, option #1) for so we are aware if the issue remains.

Best,

The WyoCloud Team
