

FEEDBACK FROM WYOCLOUD UPDATE PRESENTATION ON POTENTIAL NEW FEATURES

Greetings,

Thank you to everyone who was able to attend today's WyoCloud Update: HCM, Finance, & Recruitment Deep Dive. During this presentation, we asked for feedback from campus users on a couple potential new features of Finance & HCM. If you would like to participate in this feedback survey, please follow this [link](#). We really appreciate you taking the time to complete this survey and value your feedback. The project team will use this feedback when making a decision on this new functionality.

Additionally, if you were unable to attend today's deep dive or would like to review the presentation, here is WyoCast link:
