WyoCloud Planning & Budgeting Townhall

December 12th, 2017
Agenda

- Why does UW need WyoCloud Planning and Budgeting?
- What is WyoCloud Planning and Budgeting?
- WyoCloud Planning and Budgeting User Groups
- WyoCloud Planning & Budgeting Data
- System Demonstration
- Training Timeline
- UW FY 19 Budget Process and Timeline
- Budget Office Updated Policies and Procedures
WyoCloud Planning and Budgeting will provide UW with the ability to modernize, simplify, and standardize the integrated budgeting, planning, and forecasting processes to support the University’s strategic plan and enhance data informed decision making.
What is WyoCloud Planning and Budgeting?

WyoCloud Planning and Budgeting is a cloud based enterprise planning tool that creates multiyear plans and forecasts that provide the ability to make proactive decisions as the single source of all budget and planning data.

- Conduct more frequent **budget to actual** variance analysis
- Ability to roll up and **drill down** to different levels of information
- Ensures data is **complete and accurate** using standardized calculations and validation rules
- Shifts end users’ time from collecting to **analyzing data**
WyoCloud Planning and Budgeting has two distinct user groups, Planning Users and Consumers.

**Planning Users**
- **System License**
- Enter and submit data for unit
- View data for all units
- Run, export, and share reports

**Consumers**
- **No License**
- Receive reports from Planning Users
- Partner with Planning Users to define budget data

**WyoCloud Planning and Budgeting System**

- Input Data
- Export Reports

- Share Reports and Collaborate on Budget
WyoCloud Planning and Budgeting communicates with WyoCloud Financial Management, HRMS, and the Foundation to receive transactional data.

**WyoCloud Financial Management**
- Current fiscal year “actuals” data
- Annualized budget for existing grants (PPM)

**Human Resources Management System (HRMS)**
- Active position level data

**Foundation**
- Projected gift endowment revenue

**WyoCloud Planning and Budgeting**
- Operational and position budget data

**WyoCloud Financial Management**
- New FY Operation Budget
WyoCloud Planning & Budgeting System Demo
Training will be released throughout January leading up to the WyoCloud Planning and Budgeting go-live on January 22nd. You will receive notifications from the WyoCloud email when training is released for your user group.

Implementing WyoCloud Planning and Budgeting provided an opportunity for the Budget Office to evaluate and update UW’s policies and procedures related to budgeting.

**Requesting new Organization and Chart of Account program and activity values**
- Requests for new organization, programs and/or activity values need to be submitted to the Budget Office for review and approval. The procedure is located on the Budget Office website (https://www.uwyo.edu/administration/fiscal/budget/).

**Budget regulation**
- Prior to the beginning of each fiscal year, each Administrative Officer shall present to the President and Board Budget Committee the proposed budget for their Division for the upcoming fiscal year.
- No expenditures can be charged to the budget for the next fiscal year until final Board approval of the Operating Budget.

**Reserve fund balances/ carry forward**
- New policy in final stages of approval with General Counsel.

**Internal allocation and transfer request**
- Inter-Unit and Intra-Unit Allocations need to be submitted to the Budget Office for review and approval. Upon approval, the request will be sent to the Accounting Office to be posted.

**Surplus property disposal**
- To provide guidance on the proper disbursement/disposal of university surplus property, general sales revenue will be distributed 80%/20%. 80% to the Dean/Division and 20% will remain with Material Services.

**New budget manual**
- Coming soon to guide your unit through the new budgeting process.
