WY INBRE-Honors UW Undergraduate Research Fellowships for rising Junior and Senior STEM Majors in Honors/Secondary Education

SUMMER 2020

APPLICATIONS DUE by 5 PM on TUESDAY March 31, 2020

we cannot consider incomplete or late applications

APPLICATION and INSTRUCTIONS are at:

http://www.uwyo.edu/wyominginbre

All application materials and faculty letters are to be submitted online.

This is a separate Request For Applications (RFA) for a WY INBRE undergraduate fellowship for rising Junior and Senior UW STEM majors in Honors/Secondary Education interested in an opportunity to gain experience in a UW research lab. The IDeA Network for Biomedical Research Excellence (INBRE) program is funded by the National Institutes of Health (NIH). WY INBRE-Honors-Secondary Education Summer Fellowships are $5400 (450 hours at $12/hour).

All hours must be completed during the award period.

All fellowship applicants must submit research proposals that deal exclusively with biomedically related questions and experimental research that seeks to improve human health. This research may be accepted as your Honors Capstone Project.
