The Standard MSW Program is designed for students who have an undergraduate degree other than a BSW degree. All of the following items/steps are needed to submit a completed application for consideration to the MSW program:

- Pay the College of Health Sciences/Division of Social Work Application fee ($30)– [link to CashNet]
- Complete on-line application: http://www.uwyo.edu/admissions/graduate/application.html
  - Pay the University of Wyoming graduate school fee ($50)
    - Note: This additional fee is required as a part of the on-line application.
- Upload Documents: The following documents are required components of the MSW application. Please have them prepared and available to upload to your on-line application.
  - Unofficial College Transcripts
  - Personal Statement – [insert Link to instructions for personal statement]
  - Essay – [insert Link to instructions for Standard Essay]
  - Resume
  - Graduate Assistantship/Scholarship (optional) [insert link]
  - MSW Applicant Information Sheet [insert link]

**Note:** International students applying to the University of Wyoming must complete additional information that can be found on the Graduate International Student Admissions page.

**Background Check Information:** After admittance/acceptance to the MSW program, all students are required to perform a background check through the University of Wyoming's College of Health Sciences. Please see the College of Health Sciences Background Check Policy for more information.
