The Brown Bag Lunch

(1)_________ and (2)_________ were going on a bus trip to (3)_________. They had never been there before so they were very (4)_________. Since the trip was going to last (5)_________, they had to pack a lunch. They had just learned about the five senses and were most interested in the sense of (6)_________ so their lunch had to be (7)_________. They each decided to each bring part of the lunch and then share.

(8)_________ brought (9)_________ for a pre-lunch snack and (10)_________ and (11)_________ for lunch. (12)_________ decided to pack (13)_________ and (14)_________ plus (15)_________ for dessert. To drink they shared (16)_________. They were very pleased with their (17)_________ and (18)_________ lunch.

(19)_________ asked them to record the tastes, smells and colors in their meal.

List tastes, smells and colors here:
