If you are buying animals or attending a show with your 4-H animals, make sure you have the proper paperwork to cross county and state lines legally. This will save you time and possible fines for not being compliant with the current brand and health inspection laws of the State of Wyoming.

You’ll want to be sure to check on rules for the particular state and/or event to which you are heading. If you leave Wyoming, you’ll want to check requirements through the animal health unit of your destination state.

Good luck with your 4-H project!

**Be sure to call your veterinarian and brand inspector well ahead of time to schedule and appointment!**
