Synopsis

Individuals arrive and find their workspace. They'll have a few minutes to "set up"/organize their space. Then the judges will be introduced.

Some basic information will be shared with everyone regarding facilities, practices, any parameters or adjustments that need to be made due to facilities, circumstances, etc. The topic/theme will be announced, and contestants will have 10 minutes to develop a plan for their creation (see formatting and proceeding section for more information). The clock will be started AFTER the 10-minute prep time and contestants will have a maximum of one (1) hour to decorate.

Youth will then create their masterpieces! Upon the timer ending the event, everyone will be asked to stop, put their tools down, and remain by their creation. Judges will visit with each individual about their inspiration, plan, steps they took, involvement, challenges, etc. Finished cakes will be grouped and judged after the event.
