Teamwork <i>Evidence that all members of the team are actively involved in the project and are engaged and enthusiastic about participating</i>	All team members participate in presentation, clearly have identified roles, all members are engaged and enthusiastic with each other, judges and general public. Willing to help, support and praise one another.	All members participated in presentation, but roles may not appear to be clearly identified, members are engaged with judges and general public, no strong sense of team.	Some team members participated in presentation; some team members not engaged. One or two members tend to dominate presentation.	Only one member presents for judges, other team members are present but there is a lack of unity amongst the team, display disrespect toward each other, coach, judges or general public.
