Welcome to the
WYOMING STATE FAIR

ENTRY PROCEDURES

- APPLICATION FOR ENTRY:** The Wyoming State Fair does not discriminate against any applicant, volunteer, customer or patron on the basis of race, sex, color, age, disability, religion, citizenship, nationality or ethnic origin.
- ELIGIBILITY FOR ENTRY:** Competition is open to the world in all open show, equine and livestock classes, except where specifically stated in this premium book. Competition in the Youth Livestock Show is restricted to Wyoming 4-H and Wyoming FFA members in good standing.
- ELIGIBILITY REQUIREMENTS:** To be eligible for entry, exhibitors and their exhibits must meet and adhere to the requirements of special Policies and Regulations as listed under the appropriate departments.
- ENTRY FORMS:** All applications for entry must be made out on current, official Wyoming State Fair entry forms in accordance with instructions on same, giving division, class, and all other necessary information with all fees paid. Incomplete entries will be returned to exhibitors. One entry form is required for each owner or for each exhibitor/fitter. These entry forms are in the back of this premium book for exhibitor convenience. No entries will be accepted by telephone/fax.
- ENTRY HELP:** When filling out the entry form, the class code must include the DIVISION NUMBER and CLASS NUMBER. **EXAMPLE:** If you are entering a wool jacket your class entry would be 519-2 (519 for Wool Garments Division, and 2 for Adult Wool Garment class).
- ACKNOWLEDGMENT:** By making entry to the Wyoming State Fair each exhibitor (and exhibitor's parent or legal guardian, if exhibitor is a minor) acknowledges that he/she understands and will abide by the liability requirements and all policies and regulations of the Wyoming State Fair.
- ACCEPTED ENTRY:** In all cases, the Wyoming State Fair management reserves the right to reject, accept or accept conditionally, an application for entry, and does not guarantee space in the exhibition buildings. Entries received without fees, after the entry deadline or after all pens, space or stalls have been reserved, will not be accepted and returned to the applicant.
- ENTRY FEES:** All applications for entry must be accompanied by all entry fees and related fees. If the entry does not have fees enclosed, the application for entry will be returned to the applicant. Please calculate all fees carefully. All international exhibitors must pay fees in certified United States funds.
- RETURNED CHECKS:** Any exhibitor issuing a check for payment of entries, stalling or passes which does not clear their account for any reason, will have five days in which to make payment to keep entries eligible to participate in the Wyoming State Fair, with a \$30.00 returned check fee assessed to the exhibitor for each account clearing attempt.
- INTERNAL REVENUE SERVICE REQUIREMENT FOR PREMIUMS OVER 600\$: EACH EXHIBITOR AND CONTESTANT MUST PROVIDE A PERSONAL SOCIAL SECURITY NUMBER OR FEDERAL TAXPAYER IDENTIFICATION NUMBER (FOR PARTNERSHIPS AND/OR OTHER ORGANIZATIONS).**
Premium checks will be made payable to the name designated on the entry form, provided the proper social security or federal taxpayer identification number for the name is listed. Each youth exhibitor eligible for premiums (greater than \$600.00) must provide their proper social security number. No Identification Number provided means no premiums paid.
- EXHIBITION:** The management reserves the right to reject an unworthy entry of any nature by refusing exhibit space. Should any individual enter either an animal or article in the name of other than that of the bonafide owner, or attempt to perpetrate a fraud by misrepresentation of any fact, the entry thus made must be removed from exhibition and all fees paid will be forfeited.

- EXHIBIT DELIVERY:** Articles to be exhibited may be mailed to P.O. Drawer 10, Douglas, WY 82633 or delivered to the Wyoming State Fair Director's office at 400 West Center St., Douglas, WY 82633-0010. **Entry forms must be completely filled out and enclosed** with the article. Exhibitor should keep a copy of the entry form for their own records. All transportation charges must be **PRE-PAID**, otherwise the exhibit will be refused. **Only PRE-PAID** articles will be returned after the completion of fair. The management will put forth every effort to ensure the safety of articles after their arrival, but in no case will it be responsible for loss or damage which may occur while in transit or during the time of exhibition.
- PRE-ENTRY:** All open livestock show entries must be made by the established deadline of July 24: NO pre-entry by the deadline constitutes no eligibility. For the Home Arts pre-entry see each section for entry information. **Needlework, Pictures/Paintings & Drawings, Crafted Arts, Foods, Needlework and Gardening entries due: Sat., August 12 and Sun., August 13: 10:00 A.M. to 6:00 P.M.**

Exhibitors in Open Class Divisions of Creative and Home Arts will be allowed **ONE entry in a Class. Where there is no listed classification for an entry, an article may be entered for "Display Purposes Only."** However, no premium will be paid on articles so marked. An item may be entered only once in these Wyoming State Fair departments.

The Wyoming State Fair shall not be held responsible for any loss or damage to said exhibit, livestock or property.

7. **EXHIBITS:** Entries must be on exhibit at the official opening of the State Fair or any other time specified in this premium book and shall not be removed from the fairgrounds prior to the release date printed in this premium book, except (at the discretion of the fair management) in cases of positive evidence of sickness, accident and/or death of the exhibit/exhibitor, or for other circumstances that are in the best interests of the State Fair.

8. **OBJECTIONABLE EXHIBITS:** The management reserves the right to remove from the grounds any exhibit, animal, stand or show that may be falsely entered, or may be deemed unsuitable or objectionable, without assigning a reason therefore; if necessary, to refund any money already paid for required fees which shall exonerate the State Fair from any claims whatsoever on the part of the exhibitor or purchaser.

9. **ANALYSIS:** The Wyoming State Fair reserves the right to have a laboratorial analysis made on blood, urine and other body tissue from any animal entered for competition. An exhibitor of an animal producing an analysis with a quantity of unapproved levels of chemical, drug or any unapproved medication will forfeit all rights and privileges to exhibit livestock in the future at the Wyoming State Fair.

10. **DISQUALIFICATION:** An applying exhibitor who has been disqualified from competition at a Wyoming county fair, the Wyoming State Fair or any other livestock show or fair, or has had an award/premium withheld or withdrawn on the grounds of rule violation(s), will not be allowed to compete at the Wyoming State Fair. This shall include, but not be limited to, disqualification for fraud, misrepresentation, unethical fitting, theft or deception.

11. **SPECIAL POLICIES:** Special policies or conditions are published in each department where necessary; if there is a conflict between the special policies of any department and the general policy and regulations of the State Fair, the special policy will govern.

12. **REGISTRATION:** All animals in the Open Show breeding classes must be recorded in the recognized books of record for their respective breeds unless specifically stated. Exhibitors must produce a certificate of registry at the request of the management at any time during the Show. Only such books of record as are recognized by the United States Department of Agriculture will be accepted.

The officially registered name and registration number of all animals entered in the breeding classes as well as the officially registered name and registration number of the sire and dam are to be given on the official entry forms. **Entries without registration information will not be accepted.**

Registration and Certificate of Veterinary Inspection: Exhibitors must have a copy or the original registrations and verified certificates of veterinary inspection available for review at all times during the show.

13. **OWNERSHIP OF ANIMALS:** To be eligible for competition, whether singly or in groups, animals must be the bona fide property of the owner and all animals entered for competition in the open show breeding classes must be entered in the name of the owner and must have been owned prior to entry closing date. If proof of ownership is required, an affidavit must be furnished by the owner. For ownership of animals entered for competition in the Youth Show, see special regulations in the Youth Livestock Department.

a) **JOINT OWNERSHIP:** Jointly-owned animals must be entered and shown under the multi-ownership name (all co-owners) in the individual classes. In the group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided they own a full or part-interest in one or all of the animals in the group entry. In all cases there shall be a social security or a tax identification number provided.

b) **FIRMS AND PARTNERSHIPS:** Firms and partnerships entering exhibits for competition must be in existence at the time of making entry and, in all cases, must be bona fide. Affidavits of the age of the firms may be required by the management. In all cases, a firm or partnership is considered an exhibitor and must provide a tax identification number.

14. **ERRONEOUS ENTRY:** Exhibits that have been erroneously entered may be transferred to their proper class, prior to judging, upon notification and application to the show management, who will determine the matter upon its merits. However, if such classes have been judged, they shall not be reopened.

15. **CLASSES:** State Fair management reserves the right to combine, split, or cancel classes in which, in its judgment, the number of entries are insufficient to insure adequate competition, in all departments of the Wyoming State Fair.

16. **GROUP CLASSES:** Entry for group classes must be made by the entry deadline. All entries for group classes must be shown in their respective individual classes. Animals to comprise a competitive group need not be named in application for entry, but exhibitors must indicate in which group class they expect to compete. No additional entry fee is required for group classes unless so stated in the department policies.

17. **SUBSTITUTIONS:** Substitutions may be made within the same breed and within the same sex and by the same owner of the original entry. The substitution may be made after the closing date for entries, without a late fee, if the entry information for the substituted animal is provided to Show Management at the time of breed check-in. A late fee of two times the regular entry fee must be paid for each substitution made after check-in time.

18. **SHOW/ENTRY NUMBER:** Each entry will be assigned an entry number. This number will identify exhibitors/animals in the show and will correspond with the Official Livestock Computer system number and must be displayed by exhibitor when the entries are being judged.

19. **PHOTOGRAPHS:** Photographs of Champion and Grand Champion livestock and exhibits will be taken by the Official Photographer of the Wyoming State Fair. Exhibitors of Champion and Grand Champion winners must make themselves and their exhibits available for the taking of official photographs immediately following judging or at the request of the Official Photographer. The official photographs are to become the property of the Wyoming State Fair for reference and promotional use.
20. **STALLING:** Entry fees do not dictate stall/pen spaces. Exhibitors will only receive proper space for each animal delivered to the Wyoming State Fair, regardless of the number of entries made for the show. A cow-calf pair is considered as one entry, but the exhibitor is given 2 stall spaces for the entry. After the animals have been stalled, they shall not be moved to any other part of the facilities except on the consent of the department superintendent and/or state fair management. **LIMIT: One (1) horse per stall in any horse barns.**
21. **STALL REQUEST:** To assist the fair management in special stalling requests, exhibitors (counties/chapters) should request such on their entry form (each exhibitor/county/chapter involved should make this identical request). Requests will be honored, if possible. There will not be space allocated for tack or lounging stalls.
22. **TIE OUTS:** Tie out spaces for open show and youth show cattle are included with fees submitted at the time of entry and space will be assigned upon arrival by the designated beef cattle superintendents.
23. **EQUIPMENT:** Any equipment brought in to be used in assigned stalls or space must comply with and be used in compliance with all federal, state, and municipal occupational safety and health regulation. Some equipment may require a special permit and a fee to be paid before being utilized on grounds.
 - a) **FANS:** There will be no allowance for fans in any pedestrian aisle. No rear (butt) fans are allowed in any aisle. No exceptions.
 - b) **TRIM CHUTES:** Space for chutes will be on designated interior wall areas, or outside of the livestock pavilion. No chutes are allowed in outside or center aisles of the cattle stalling section.
24. **FIRST BEDDING:** Will be provided for all cattle stalls. Dairy goats and breeding sheep (wool breeds) will be allowed to bed on straw, if provided by the exhibitor and removed from the stalls by the exhibitor upon departure.
25. **BEDDING:** Wood shavings for bedding may be available for purchase, at designated locations. All wood shavings are to be paid for with cash at the time of purchase. No billings will be made. Exhibitors who use their own bedding will be allowed to bring the bedding on grounds in limited amounts on a daily basis. Storage of large quantities of bedding and/or feed in the barns/buildings is prohibited. Extra bedding and/or feed must be kept in vehicles and/or trailers in the assigned parking areas. Schedules for feeding, deliveries, exercising and tie outs will be established and strictly enforced to minimize traffic congestion.
26. **CLEANUP:** All stalls, pens and exhibition places must be cleaned before 9:00 a.m. each day and refuse matter disposed of in designated areas as directed by State Fair management. For those exhibitors not disposing of animal waste and bedding in the proper designated areas or refusing to keep their area, stalls, pens and/or exhibits clean and neat, fair management reserves the right to have said stalls or pens properly cleaned with the cost to be charged against the exhibitor. Said cost will be collected from the exhibitor prior to a release being issued or may be deducted from premiums to be paid out.
27. **ENTRIES OFFERED FOR SALE:** Any entry offered or exposed for sale during the State Fair must be entered and exhibited in its respective class. All livestock sold through a recognized Breed Association Sale shall be eligible to be removed from the State Fairgrounds by the new owner at the close of the sale by presenting sale verification and with written approval of the Show Superintendent and sale management.+59
28. **CONFLICTS:** Nothing shall be sold or given away or otherwise disposed of by exhibitors which will in any way conflict with, or which is subject matter of, any privilege or concession granted or sold by the Wyoming State Fair.
29. **POSTMORTEM EXAMINATION:** In the event an animal dies on grounds, during the Wyoming State Fair, State Fair management reserves the right to require a postmortem examination of the animal by a licensed veterinarian. If a postmortem examination is ordered by the Wyoming State Fair or by the owner or exhibitor of the animal, the expense of the postmortem examination and any related veterinary costs are to be borne by the owner/exhibitor.
30. **ENFORCEMENT:** The failure of the Wyoming State Fair to enforce any of the provisions, rules, rights or remedies of this premium book or to exercise any options or sanctions herein provided will in no way be construed to be a waiver of such provisions, rules, rights, remedies, sanctions, or options.
31. **IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) NATIONAL CODE OF SHOW RING ETHICS:** Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to youth as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics", fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels. All youth leaders working with youth exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events:
 - 31.1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
 - 31.2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
 - 31.3. Youth exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
 - 31.4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is

sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- 31.5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except the external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 31.6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 31.7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- 31.8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- 31.9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 31.10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
- 31.11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

33. **2023 WSF TAIL DOCK POLICY:** Sheep presented for exhibit at Wyoming State Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination by the Animal Care Task Force, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair that are visually examined by the Animal Care Task Force and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibit area. Determinations and decisions of disqualification by the Animal Care Task Force are final and subject to confirmatory testing as specified in the Animal Care Statement section of the WSF Premium Book.

In years previous, increased frequency of surgical removal of sheep tails and instances of extreme tail docking of sheep led the Wyoming Board of Agriculture to take decisive action by implementing a Tail Dock Rule at the Wyoming State Fair which required the presence of three full coccygeal vertebrae on sheep exhibited at the Wyoming State Fair.

At this time, the Wyoming Board of Agriculture feels significant progress has been made by members of the show sheep industry in addressing the concerns of surgical tail removal and extreme tail docking of sheep, and therefore chose to adopt this rule.

If at any time the Wyoming Board of Agriculture determines that members of the show sheep industry are reverting to the practice of extreme tail docking or the surgical removal of tails of sheep, the Board of Agriculture will direct the Wyoming State Fair to re-instate the rule requiring the presence of three full coccygeal vertebrae on sheep.

Wyoming State Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair should be docked in a manner that does not compromise the animal's health and well being.

- 34. **CRUELTY TO ANIMALS:** Absolutely no cruelty to or abuse of animals will be tolerated. Immediate disqualifications of the exhibitor and exhibit may result from confirmed abuse or cruelty.
- 35. **ETHICS:** All exhibitors exhibiting animals must comply with the national show ring code of ethics (rule #31), United States Department of Agriculture Wholesome Meat Act (from USDA) and Wyoming State Fair residue avoidance program, which can be requested in writing, from Wyoming State Fair management.

- 1. **SELECTION OF JUDGES:** Judges will be selected by the Wyoming State Fair in cooperation with recognized breed associations, judges panel and/or interested groups. In every case, judges are selected with the utmost care for the benefit of fair, quality competition.
- 2. **FAIR RULES:** Judges are earnestly requested to familiarize themselves with all the rules, regulations and procedures of the Wyoming State Fair and to especially note those policies bearing on the classes to be judged by them.
- 3. **OBJECTION:** Objection to any person serving as a judge must be submitted to Fair Management in writing prior to June 1 of the current year, giving good and sufficient reason therefore, and upon which the Fair Director shall have the full power to act.
- 4. **DECISION OF JUDGES FINAL:** The decision of the judges will be final in all cases, except cases of formal protest or where mistake, fraud, misrepresentation or collusion, not discovered at the time of award, is proven. In such cases, the show management, or such referee as it may appoint, may make the final decision. Such cases may be sent to the State Fair Board from whose decision there can be no appeal.
- 5. **INTERFERENCE WITH JUDGES:** If any exhibitor, in any way, whether in person or by the representative, interferes with the judge(s), or shows any disrespect to them or to show officials, fair management may excuse him/her from the ring and exclude him/her from further competition; exhibitor premiums or awards that may have been awarded may also be withheld.
- 6. **TIME OF JUDGING:** Judging Schedules, as published in this premium book, are tentative and subject to change, but will be followed as closely as possible. Exhibitors should ascertain at what time the exhibits entered will be judged. Judging will not be delayed for exhibitors entering the show area late. Any exhibit not presented promptly at the scheduled time will be ruled out and excluded from competition in the class called or scheduled.
- 7. **METHOD OF AWARDING:** No exhibit will be awarded a prize unless removed from its stall or pen and exhibited, with entry number, before the judge in the show ring.
Where there are fewer entries in a class than the number of premiums offered, the judges may, at their discretion, award a prize or prizes of such grade as the exhibit merits.
- 8. **UNWORTHY EXHIBIT:** Judges shall not award a prize to an unworthy exhibit. It is the intention of fair management that no premium or distinction of any kind shall be given to any exhibit that is not deserving.
- 9. **ENTRY LIMITS:** No individual animal/exhibit shall compete for or receive more than one premium in a class and division or department except in Champion classes, group classes, or equine performance classes in the Youth Shows.
An individual owner may enter up to three animals in any individual class, but may not be awarded more than two premiums from the individual class.
Where there is but one exhibitor in a class, there will be only one premium awarded. Provided there are competing exhibitors (two or more) in a class, all placings and premiums may be awarded, except as noted in special department policies.
- 10. **DISQUALIFICATION:** If an exhibit or exhibitor is disqualified after judging and/or having won awards or premiums, there will be no automatic change in the final placings. Upon investigation, the Wyoming State Fair management may consider a change in final placings. Any and all decisions made by State Fair management will be final. No refund of entry fees or credentials will be given due to disqualification.

All premiums will be issued by check and forwarded to designated person(s), as directed on entry forms, as soon after the close of fair as they can properly be processed. **Checks will not be mailed out earlier than 30 working days following the completion of fair.**

December 1, 2023, is the deadline for reporting any errors in a premium check or for a check not having been received by the exhibitor. **After that date, no changes will be made nor checks issued.**

All premiums whatsoever, not claimed within 90 days of receipt, shall be deemed forfeited to the Wyoming State Fair/State of Wyoming. The Wyoming State Fair reserves the right to withhold premiums and awards awarded in every case in which it shall appear to fair management that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.

In case the total premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair Management.

14. **PAYMENT CONTROVERSY:** Controversies regarding payment of premiums in any department will be resolved by decision of Fair Management in consultation with appropriate department heads. Any and all decisions made will be final with no recourse.

Overpayments made in error by the State Fair will be requested to be returned, by written notice. Those overpayments not returned in a timely manner, within thirty (30) days, the exhibitor will forfeit their right to exhibit in future Wyoming State Fairs.

REMINDER: PREMIUM CHECKS NOT PRESENTED FOR PAYMENT WITHIN 90 DAYS FROM DATE OF ISSUANCE WILL BE CANCELLED FROM PAYMENT BY THE STATE TREASURER'S OFFICE AND DEEMED FORFEITED TO THE WYOMING STATE FAIR/STATE OF WYOMING.

Anyone found in violation of this rule may be subject to immediate disqualification or removal from the fairgrounds by State Fair Management.
Unethical Fitting at the Wyoming State Fair is defined as: the injection, use, or administration of any drug that is prohibited by Federal, State, or Local Law, or any drug that is used in a manner prohibited by Federal, State or Local Law; the injection or internal or external administration of any product or material, whether gas, solid, or liquid, to an animal that, conceals, enhances, or transforms the true conformation, configuration, breed, condition or age or by making the animal appear more sound than otherwise would appear; the administration, use or application of any drug or feed additive affecting the central nervous system; the administration of diuretics for cosmetic purposes; tissue manipulation, removal, surgical attachment or otherwise to change, conceal, enhance, or transform the true conformation or configuration of the animal; attaching to the hide foreign objects including hair/wool or hair/wool substitutes, cloth or fiber; any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef, sheep, swine or goat carcasses.
Maintaining the integrity of the meat derived from the livestock exhibited at the Wyoming State Fair is the primary reason for the policies and procedures. Most of the market animals shown at the WSF were previously shown and sold before entry to the WSF. Exhibitors have a moral and ethical responsibility to produce meat that will be safe for the consuming public.

No person shall be permitted to judge a class in which he/she may be competing for an award or have an ownership of any animal or article entered in such class. Judges are earnestly requested to familiarize themselves with the Rules & Regulations of this show. This is considered a violation of the *National Code of Show Ring Ethics*. Read page 18.

New This Year! **ANIMAL DRUG TESTING**

NEW for 2023, the Wyoming State Fair will be drug testing Swine, Beef, Goats and Sheep. For these market species, drug testing will be mandatory for the Grand Champion and Reserve Champion award winners and two randomly selected market animals from each species.

WHY

At the Wyoming State Fair we value education, animal welfare, protecting the food chain, and fostering fair competition. Drug testing is a valuable tool to help exhibitors and families to understand the possible implications of using substances on their animal exhibit.

HOW

By 12 pm on opening day of the 2023 Wyoming State Fair, exhibitors **MUST** turn in their drug declaration forms to the Exhibitor Office drop box **ONE FORM IS REQUIRED PER MARKET ANIMAL**. Drug Declaration forms can be found at www.wystatefair.com or picked up at the Exhibitor Office.

GRANDS & RESERVES

Sample collection will take place immediately following the judge's selection. Fair Management and/or Jordy Drug Testing, along with a parent, guardian, or witness over the age of eighteen for the exhibitor will remain with the animal until a sample has been successfully collected. The animal will be escorted to the photo backdrop and then placed in the secure area until a sample has been collected, sealed and signed off on by the exhibitor along with the parent, guardian, or witness over the age of eighteen. Chain of custody best practices shall be followed. Buckles will be presented ringside and used for photos, then held at the Wyoming State Fair office until the test results have come back negative. Exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their buckles and premiums.

RANDOM TESTS

Prior to animals entering the show ring, a class and placement will be announced that will be required to do a random drug test. Immediately after judging, the animal will be escorted by Jordy Drug Testing and/or a State Fair Representative, along with a parent, guardian, or witness over the age of eighteen for the exhibitor to the secured area by the photo backdrop and remain with the animal until a sample has been successfully collected, sealed and signed off on by the exhibitor along with the parent, guardian, or witness over the age of eighteen. Chain of custody best practices shall be followed. Exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their premiums.

REPERCUSSIONS FOR POSITIVE TESTS

Upon receiving a positive test result from Texas A&M, a review panel will determine the repercussion for the exhibitor. The determination made by the review panel is final and not eligible for protest.

In the event that a positive test is deemed inexcusable by the review panel, the exhibitor will forfeit premiums and awards for the exhibit that tested positive.

If a Grand or Reserve Champion animal is disqualified, places will not advance up, meaning that there will be not be a Grand or Reserve Champion awarded for that species, as applicable.

Based on the nature of the positive test, repercussions will vary from 1-3 year probation periods to 1-3 year suspensions. During a probation period, the exhibitor's market livestock exhibits must be drug tested during the Wyoming State Fair. The exhibitor will be responsible for drug testing fees during the probation period. During a suspension period, the exhibitor will not be permitted to show during the Wyoming State Fair.

GENERAL 4-H INFORMATION & 4-H POLICIES

1. All Wyoming 4-H members in good standing in their respective county programs are eligible to compete or enter exhibits in the 4-H Department's Shows, Divisions and Classes.
2. **Dormitories** - The Wyoming State Fair offers a housing opportunity to all 4-H members and designated county 4-H adult chaperones participants. No one will be permitted to stay in the 4-H section of the dormitories without appropriate credentials. Each county is assigned beds in the 4-H section of the dormitories. The head 4-H dorm chaperones will be in charge at all times.
3. **Credentials** - Wristbands, season meal tickets, season event cards, and feed trailer passes will be issued to UW Extension Educators only for their 4-H county youth participants. None will be issued to youth or their families directly. NOTE: Wristbands will be required for all 4-H youth participants.
4. **Conduct** - Every 4-H member and 4-H adult volunteer or chaperone signed an agreement outlining behavior expectations. While participating as a 4-H member or volunteer, that Code of Conduct or agreement is in effect.
5. The use of alcohol, tobacco, and illegal drugs is prohibited at all 4-H events or activities. This applies to the 4-H section of the dormitories. Any 4-H member or 4-H adult chaperone that possesses or that has consumed alcohol or illegal drugs may be sent home. This can result in the forfeit of all awards, premiums and trips. Additional disciplinary actions may be taken at the discretion of the county 4-H program under the direction of the UW County Extension Educator.
6. **Medical Emergencies and Health Forms** - In the case of a medical emergency, seek immediate attention from medical professionals either by calling 911 or via the First Aid Station on the grounds of the state fair. After immediate attention is addressed, please contact your UW County Extension Educator or the State 4-H Office (Ft. Caspar).

7. **Grievances** – Any protests must be submitted in writing and accompanied by \$50 check or cash to the State 4-H (Office Ft. Caspar). If the protest is granted, the check/cash will be refunded to the owner. The protest must be filed at least 12 hours before the completion/judging begins or within 12 hours after the end of the competition/judging. The matter will be addressed by staff from the State 4-H Office.
8. **Per the June 2021 MOU between UWE 4-H and the Wyoming FFA Association, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their FFA SAE or their 4-H project and enter the correct classes/divisions endorsed by the applicable organization.**

- The first-year beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first year beginner novice class only once.
- A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, must show the dog by these guidelines:
 - Junior and Intermediate age exhibitors may move back or down one level
 - Senior age exhibitors must show the dog at the highest level the dog has achieved
- A dog receiving a qualifying score of at least 170 points at the designated annual county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
- High in trial will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.
- Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
- All dogs must enter/leave the show ring and compete with a leash.
- Bait and/or toys are not allowed in obedience competition.
- Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
