Check here for a quick guide to the changes that have happened since the 2023 Wyoming State Fair. We will include major rule changes, new divisions and classes, and any classes that have been taken out.

GENERAL

- New order of premium book--check for updated page numbers throughout.

YOUTH LIVESTOCK

- This year, Wyoming State Fair, with its Board of Directors, is pleased to announce that placements will be awarded for the TOP FIVE OVERALL, and the TOP FIVE IN EACH BREED for MARKET beef, swine, sheep, and goats.
- Livestock barns will be closed at night from curfew (10:30 PM) until 5:00 AM.
- Youth Horse exhibitors no longer need to qualify to enter and ride in performance classes at WSF. All youth horse classes are open to any bona fide, eligible Wyoming 4-H or FFA exhibitor who has exhibited in their respective and most recent county fair.
- Youth Sheep will use weight cards to declare weight. See Youth Sheep on page 45 for more info.
- Pygmy and Fiber Goats have been removed from the Youth Goat section. If there are any of these animals wishing to exhibit, they may be entered the appropriate age class in the breeding or meat goat divisions.
- Percentage Boer Bucks have been added to the Youth Breeding Meat Goat Show. See page 35.
- Starting in 2025, no horned goats will be allowed in the market classes. Please plan accordingly for next year's projects.

OPEN LIVESTOCK

- All Open Beef departments except Maine Anjou will take entries via ShoWorks. All entry fees for Angus, Hereford, AORB, and Texas Longhorn will be sent to WSF. All shows (except Maine Anjou) will have an entry deadline of July 24th (via online or mail, postmarked). Most shows will accept late entries with an additional fee. See Open Beef department starting on page 81 for exact fees and late entry deadlines.
- The Performance Lamb contest is taking a hiatus for 2024 but will be back for 2025.

OPEN STATIC

- New Divisions! In Visual Arts: AI Assisted Art; in Crafted Arts: Diamond Painting; in Culinary: Sourdough Bread. See each department section for available classes, entry fees, and guidelines.
- In all Open Static Departments, "junior" classes have been renamed "youth" classes. See each department for age breakouts.
- Needlework entries are due by **SATURDAY, AUGUST 10**, at 6 PM. Entries will be accepted at the Upper Ag Hall starting Friday, August 9 at 10 AM. - a) Unsportsmanlike conduct will not be tolerated and the offending exhibitor will forfeit all fees paid or premiums due and may be immediately dismissed from the grounds.
- Any false representation, interference, or unprofessional conduct on the part of any exhibitors will be dealt with by the show management according to the nature of the violation. If any exhibitor takes exception to the awards of an official judge in an unprofessional or public manner, any awards/premiums awarded to such exhibitor in any WSF competition shall be forfeited. State Fair Management may bar such offending exhibitor from competing or exhibiting in the current or future Wyoming State Fairs, or both, until such exhibitor shall have made proper written apology and shall have been reinstated by a vote of the majority of the Wyoming State Fair Board.

8. OBJECTIONABLE EXHIBITS: The management reserves the right to remove from the grounds any exhibit, animal, stand or show that may be falsely entered or may be deemed unsuitable or objectionable, without assigning a reason therefore. If necessary, WSF will refund any money already paid for required fees which shall exonerate the State Fair from any claims whatsoever on the part of the exhibitor or purchaser.

9. ANALYSIS: The Wyoming State Fair reserves the right to have a laboratorial analysis made on blood, urine, and other body tissue from any animal entered for competition. An exhibitor of an animal producing an analysis with a quantity of unapproved levels of chemical, drug, or any unapproved medication will forfeit all rights and privileges to exhibit livestock in the future at the Wyoming State Fair.

10. DISQUALIFICATION: If an exhibitor applies to enter an exhibit (livestock or static) that was disqualified from competition at any fair or livestock show, or if the exhibit won an award, and the exhibitor lost the award or premium due to the exhibitor's violation of rules or regulations, the Wyoming State Fair will not accept that exhibit for entry, or if it has already been accepted, the acceptance will be revoked.

If an exhibitor has been disqualified from all competitions at a fair or livestock show, including for violation of rules or regulations, fraud, misrepresentation, unethical fitting, theft, deception, or unsportsmanlike conduct, that exhibitor may not compete in any show at the Wyoming State Fair in the same year that the exhibitor was completely disqualified. The Wyoming State Fair may also deny or limit the exhibitor's ability to compete in future years, depending upon the severity of the reasons that led to complete disqualification and the exhibitor's conduct in other fairs and shows.

11. SPECIAL POLICIES: Special policies or conditions are published in each department where necessary; if there is a conflict between the special policies of any department and the general policy and regulations of the State Fair, the special policy will govern.

12. REGISTRATION: All animals in the Open Show breeding classes must be recorded in the recognized books of record for their respective breeds unless specifically stated. Exhibitors must produce a certificate of registry at the request of the show management at any time during the Show. Only such books of record as are recognized by the United States Department of Agriculture will be accepted.

The officially registered name and registration number of all animals entered in the breeding classes, as well as the officially registered name and registration number of the sire and dam, are to be given on the official entry forms. **Entries without registration information will not be accepted.**

Exhibitors must have the original registration or a copy of it available for review at all times during the show.

13. OWNERSHIP OF ANIMALS: To be eligible for competition, each animal must be the bona fide property of the owner, and all animals entered for competition in the Open Show breeding classes must be entered in the name of the owner and must have been owned prior to entry deadline date. If proof of ownership is required, an affidavit must be furnished by the owner. For ownership of animals entered for competition in the Youth Show, see special regulations in the Youth Livestock Department.

a) **JOINT OWNERSHIP:** Jointly-owned animals must be entered and shown under the multi-ownership name (all co-owners) in the individual classes. In the group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided they own a full or part-interest in one or all of the animals in the group entry.

b) **BUSINESS & ORGANIZATION:** Any business or organization entering exhibits for competition must be in existence at the time of making entry and, in all cases, must be bona fide. Affidavits of the age of the firms may be required by the management.

14. ERRONEOUS ENTRY: Exhibits that have been erroneously entered into the wrong department/division or class may be transferred to their proper class, prior to judging, at the discretion of show superintendents. However, if such classes have already been judged, they shall not be reopened.

15. CLASSES: State Fair management reserves the right to combine, split, or cancel classes in which, in its judgment, the number of entries are insufficient to ensure adequate competition, in all departments of the Wyoming State Fair.

16. GROUP CLASSES: Entry for group classes must be made by the entry deadline. All entries for group classes must be shown in their respective individual classes. Animals to comprise a competitive group need not be named in application for entry, but exhibitors must indicate in which group class they expect to compete. No additional entry fee is required for group classes unless so stated in the department policies.

17. SUBSTITUTIONS: Substitutions may be made within the same breed and within the same sex and by the same owner of the original entry. The substitution may be made after the closing date for entries, without a late fee, if the entry information for the substituted animal is provided to Show Management at the time of breed check-in. A late fee of two times the regular entry/processing fee must be paid for each substitution made after check-in time. All substitution exhibits must adhere to the same ownership and tagging deadlines and be able to provide proof of such.

18. SHOW/ENTRY NUMBER: Each exhibitor and each entry will be assigned an exhibitor/entry number. This number will identify exhibitors/animals/entry in the show and will be generated by and match the number assigned in the ShowWorks system. Livestock exhibitor numbers must be displayed by the exhibitor when the entries are being judged.

- 19. PHOTOGRAPHS:** Photographs of Champion and Grand Champion livestock and exhibits will be taken by the Official Photographer of the Wyoming State Fair. Exhibitors of Champion and Grand Champion winners must make themselves and their exhibits available for the taking of official photographs immediately following judging or at the request of the Official Photographer. The official photographs are the property of the Wyoming State Fair for reference and promotional use.
- 20. STALLING:** Entry fees do not dictate stall/pen spaces. Exhibitors will only receive proper space for each animal delivered to the Wyoming State Fair, regardless of the number of entries made for the show. A cow-calf pair is considered as one entry, but the exhibitor is given 2 stall spaces for the entry. After the animals have been stalled, they shall not be moved to any other part of the facilities except on the consent of the department superintendent or State Fair Management. **LIMIT: One (1) horse per stall in any horse barns.**
- 21. STALL REQUEST:** To assist the fair management in special stalling requests, youth exhibitors (via their club/chapters/county) should request such with their educator/advisor. Requests will be honored, if possible. There will not be space allocated for tack or lounging stalls. Stall assignment will be at the discretion of each show superintendent.

- a) **FANS:** There will be no allowance for fans in any pedestrian aisle. No rear (butt) fans are allowed in any aisle. No exceptions.
 - b) **TRIM CHUTES:** Space for chutes will be on designated interior wall areas or outside of the livestock pavilion. No chutes are allowed in outside or center aisles of the cattle stalling section.
- 24. FIRST BEDDING:** Will be provided for all cattle stalls. Dairy goats and breeding sheep (wool breeds) will be allowed to bed on straw, if provided by the exhibitor and removed from the stalls by the exhibitor upon departure.
- 25. BEDDING:** Wood shavings for bedding may be available for purchase at designated locations. All wood shavings are to be paid for with cash at the time of purchase. No billings will be made. Exhibitors who use their own bedding will be allowed to bring the bedding on grounds in limited amounts on a daily basis. Storage of large quantities of bedding and/or feed in the barns/buildings is prohibited. Extra bedding and/or feed must be kept in vehicles and/or trailers in the assigned parking areas. Schedules for feeding, deliveries, exercising, and tie-outs will be established and strictly enforced to minimize traffic congestion.
- 26. CLEANUP:** Each exhibitor must clean the stalls, pens, and exhibition places assigned to him or her by 9:00 AM each day and dispose of refuse matter in the areas designated by management. If an exhibitor fails to do so, the Wyoming State Fair may have those places cleaned at the exhibitor's expense, which must be paid before release or may be deducted from the exhibitor's premiums.
- 27. ENTRIES OFFERED FOR SALE:** Any entry offered or exposed for sale during the State Fair must be entered and exhibited in its respective class. All livestock sold through a recognized Breed Association Sale shall be eligible to be removed from the State Fairgrounds by the new owner at the close of the sale by presenting sale verification and with written approval of the Show Superintendent and sale management.
- 28. BRAND CONFLICTS:** Nothing shall be sold, given away, or otherwise disposed of by exhibitors which will in any way conflict with, or which is subject matter of, any privilege or concession granted or sold by the Wyoming State Fair.
- 29. POSTMORTEM EXAMINATION:** In the event an animal dies on grounds during the Wyoming State Fair, State Fair

management reserves the right to require a postmortem examination of the animal by a licensed veterinarian.

If a postmortem examination is ordered by the Wyoming State Fair or by the owner/exhibitor of the animal, the expense of the postmortem examination and any related veterinary costs are to be borne by the owner/exhibitor.

- 30. ENFORCEMENT:** The failure of the Wyoming State Fair to enforce any of the provisions, regulations, rights, or remedies of this premium book or to exercise any options or sanctions herein provided will in no way be construed to be a waiver of such provisions, rules, rights, remedies, sanctions, or options.
- 31. IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) NATIONAL CODE OF SHOW RING ETHICS:** Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to youth as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics", fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels. All youth leaders working with youth exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events:
- 31.1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
 - 31.2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
 - 31.3. Youth exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
 - 31.4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is

sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- 31.5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except the external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 31.6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 31.7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- 31.8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- 31.9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 31.10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
- 31.11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

32. WYOMING STATUTE 11-30-114. Tampering with or drugging of livestock prohibited; definitions; penalty.

- a) No person shall tamper with or sabotage any livestock which has been registered, entered or exhibited in any exhibition in this state.

 - ii) "Sabotage" means to intentionally tamper with any livestock belonging to or owned by another person that has been registered, entered or exhibited in any exhibition or raised for the apparent purpose of being entered in an exhibition;
 - iii) "Tamper" shall not include any action taken or activity performed or administered by a licensed veterinarian or in accordance with instructions of a licensed veterinarian if the action or activity was undertaken for accepted medical purposes or any action taken as part of accepted grooming, commercial or medical practices, but shall include any of the following:
 - A) Treatment of livestock in such a manner that food derived from the livestock would be considered adulterated under the Wyoming Food, Drug and Cosmetic Act, W.S. 35-7-109 et seq.;
 - B) The injection, use or administration of any drug that is prohibited by any federal, state or local law or any drug that is used in a manner prohibited by any federal, state or local law;
 - C) The injection or other internal administration of any product or material, whether gas, solid or liquid, to any livestock for the purposes of deception including concealing, enhancing or transforming the true conformation, configuration, color, breed, condition or age of the livestock or making the livestock appear more sound than the livestock would otherwise appear;
 - D) The use or administration for cosmetic purposes of steroids, illegal growth stimulants or internal artificial filling, including paraffin, silicone injection, or any other substance;
 - E) The use or application of any drug or feed additive affecting the central nervous system of the livestock;
 - F) The use or administration of diuretics for cosmetic purposes;

G) The manipulation or removal of tissue, by surgery or otherwise, so as to change, transform or enhance the true conformation or configuration of the livestock. Nothing in this subparagraph shall prohibit generally accepted management practices including but not limited to the dehorning, castration or spaying, corrective shoeing or trimming of any livestock;

H) Subjecting the livestock to inhumane conditions or procedures for the purpose of concealing, enhancing or transforming the true conformation, configuration, condition or age of the livestock or making the livestock appear more sound than the livestock would otherwise appear;

I) Substituting any different livestock for the livestock registered or entered in the exhibition without the permission of a responsible official of the exhibition.

33. 2023 WSF TAIL DOCK POLICY: Sheep presented for exhibit at Wyoming State Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair that are visually examined by the Youth Show Committee/Show staff and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found, it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibit area. Determinations and decisions of disqualification by the Youth Show Committee are final.

Wyoming State Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair should be docked in a manner that does not compromise the animal's health and well being.

34. CRUELTY TO ANIMALS: Absolutely no cruelty to or abuse of animals will be tolerated. Immediate disqualifications of the exhibitor and exhibit may result from confirmed abuse or cruelty.

35. ETHICS: All exhibitors exhibiting animals must comply with the IAFE National Show Ring Code of Ethics (section #31), United States Department of Agriculture Wholesome Meat Act (from USDA) and the Wyoming State Fair drug use and testing policy, which can be requested in writing from the Wyoming State Fair management.

JUDGES AND JUDGING

1. SELECTION OF JUDGES: Judges will be selected by the Wyoming State Fair in cooperation with recognized breed associations, judges panel, and/or interested groups. In every case, judges are selected with the utmost care for the benefit of fair, quality competition. To suggest a judge, submit a form at wystatefair.com, under the Exhibitor's section.

2. FAIR RULES: Judges are earnestly requested to familiarize themselves with all the rules, regulations, and procedures of the Wyoming State Fair and to especially note those policies bearing on the classes to be judged by them.

3. OBJECTION: Objection to any person serving as a judge must be submitted to Fair Management in writing prior to June 1 of the current year, giving good and sufficient reason therefore, and upon which the General Manager shall have the full power to act.

4. DECISION OF JUDGES FINAL: The decision of the judges will be final in all cases, except cases of formal protest or where mistake, fraud, misrepresentation, or collusion, not discovered at the time of award, is proven. In such cases, the show management may make the final decision. Such cases may be sent to the State Fair Board, from whose decision there can be no appeal.

5. INTERFERENCE WITH JUDGES: If any exhibitor, whether in person or through another person, interferes in any way with a judge or shows any disrespect to a judge or to show officials, fair management may dismiss the exhibitor from the judging area and exclude him or her from further competition. In addition, fair management may revoke any premiums or awards that were already awarded to such exhibitor.

6. TIME OF JUDGING: Judging Schedules, as published in this premium book, are tentative and subject to change, but will be followed as closely as possible. Exhibitors should ascertain at what time the exhibits entered will be judged. Judging will not be delayed for exhibitors entering the show area late. Any exhibit not presented promptly at the scheduled time will be ruled out and excluded from competition in the class called or scheduled.

7. METHOD OF AWARDING: No livestock exhibit will be awarded a prize unless removed from its stall or pen and exhibited before the judge in the show ring.

Where there are fewer entries in a class than the number of premiums offered, the judges may, at their discretion, award a prize or prizes of such grade as the exhibit merits.

8. UNWORTHY EXHIBIT: Judges shall not award a prize to an unworthy exhibit as based upon the established department criteria. It is the intention of fair management that no premium or distinction of any kind shall be given to any exhibit that is not deserving.

9. ENTRY LIMITS: No individual animal/exhibit shall compete for or receive more than one premium in a class and division or department except in Champion classes, group classes, or equine performance classes in the Youth Shows.

An individual owner may enter up to three animals in any individual class but may not be awarded more than two premiums from the individual class.

Where there is but one exhibitor in a class, there will be only one premium awarded. Provided there are competing exhibitors (two or more) in a class, all placings and premiums may be awarded, except as noted in special department policies.

10. RESULTS OF DISQUALIFICATION ON STANDINGS: If an exhibit or exhibitor is disqualified after judging, there will be no automatic change in the final placings. Upon investigation, the Wyoming State Fair management may consider a change in final placings. Any decisions made by State Fair management will be final. No refund of entry fees or credentials will be given due to disqualification.

11. DISPLAYS: Exhibitors will be allowed to display, at their own risk, prize ribbons, trophies, plaques, certificates of awards, etc., in their allocated space during the entire show, subject to space availability and the approval of fair management.

12. RIBBONS: The Wyoming State Fair awards ribbons in the individual classes, rosettes or special ribbons to all division champions and reserve champions, with rosettes or banners to the grand champion and reserve grand champions. November 1, 2024 is the deadline for reporting any errors in a premium check or for a check not having been received by the exhibitor. **After that date, no changes will be made nor checks issued.**

All premiums whatsoever not claimed within 90 days of issue date shall be deemed forfeited to the Wyoming State Fair/State of Wyoming.

In case the total premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair Management.

14. PAYMENT CONTROVERSY: Controversies regarding payment of premiums in any department will be resolved by decision of Fair Management in consultation with appropriate department heads. Any and all decisions made will be final with no recourse.

Overpayments made in error by the State Fair will be requested to be returned, by written notice. Those overpayments not returned in a timely manner, within thirty (30) days, the exhibitor will forfeit their right to exhibit in future Wyoming State Fairs.

REMINDER: PREMIUM CHECKS NOT PRESENTED FOR PAYMENT WITHIN 90 DAYS FROM DATE OF ISSUANCE WILL BE CANCELLED FROM PAYMENT BY THE STATE TREASURER'S OFFICE AND DEEMED FORFEITED TO THE WYOMING STATE FAIR/STATE OF WYOMING.

15. SPECIAL AWARDS: State Fair Management does not guarantee the payment of Special Premiums offered in this premium book by donors and/or private parties. These special premiums or the awarding of Special Awards are secured by Fair Management with a promissory statement signed by the donor and are accepted by the fair management in good faith and must be contested for under these conditions. 2024 Wyoming State Fair

WELCOME TO STATE FAIR

GOVERNOR GORDON

Dear Visitors and Exhibitors of the 2024 Wyoming State Fair and Rodeo,

It's my privilege to welcome you to Douglas for the 112th Wyoming State Fair and Rodeo! This is where families, producers, competitors, and guests have been gathering for generations to see old friends and make new memories. First Lady Jennie and I look forward to the fair each year to see friends from across the state and make new acquaintances every August.

Growing up, my sister and I got to exhibit here and watch my dad, Crow Gordon, compete in the Rodeo. Our dad encouraged our entire family to participate, and even now we enjoy supporting the kids and our friends as they compete here. This is a tradition.

For more than a century, the State Fair is where Wyomingites have gathered to pay tribute to Wyoming's farms and ranches, and honor the hardworking families that keep them operating. Agriculture is an economic benefit to our state and part of our heritage. The stewardship of Wyoming farmers and ranchers help provide habitat for our wildlife along with the open spaces they need to thrive. As a ranching family, Jennie and I know firsthand the value of this industry and the important role the Wyoming State Fair plays in it through youth competition, education, relationship building, and growing our young entrepreneurs.

I extend the commitment I have made to a strong and successful State Fair. The work of the Wyoming State Fair Board and the growth of the Wyoming State Fair Endowment will both sustain and strengthen this great event today and in the future. We all want each fair to be better than the last. To that end, whether you are attending for the first time or you come each year, it is important that we hear from you. Please share your thoughts and suggestions on what you enjoyed or how we can improve via the State Fair website or by using the QR code provided. We hope you enjoy your time on our beautiful fairgrounds here in Douglas and plan to return with your family, friends, and people in your community next year.

Jennie and I thank you for attending, and we look forward to visiting with you while you're here. A special thanks to the WSF Board and staff, volunteers, and sponsors whose hard work and contributions make the Wyoming State Fair and Rodeo an event to remember, year after year.

Mark Gordon
Governor of Wyoming

WYOMING STATE FAIR BOARD

On behalf of the Wyoming State Fair Board, I am thrilled to extend a warm welcome to you as we gear up for another exciting year of festivities and celebrations. Whether you're a seasoned exhibitor, a first-time visitor, or a long-time supporter, we are delighted to have you join us for what promises to be an unforgettable experience.

The Wyoming State Fair Board believes that Wyoming has some of the very best people who are engaged in extraordinary projects. From raising livestock and vegetables, painting or woodworking and more, the vast talent we find in Wyoming is worthy of being celebrated. We endeavor to showcase these projects so that the entire Wyoming community can come together and celebrate them.

We have worked tirelessly to curate an exceptional lineup of attractions, events, and entertainment for this year's fair. From thrilling rides and games to live performances and mouthwatering food options, there's something for everyone to enjoy. Be sure to check out our Champion of Champions Showcase that highlights the champion market animals from each Wyoming county. Take some time to visit the vendors, and don't miss the Sheep Wagons—a fascinating and integral part of Wyoming's history!

As we come together to celebrate, let's remember to uphold the spirit of camaraderie, sportsmanship, and respect for one another. Let's create cherished memories and forge new friendships that will last a lifetime.

Thank you for being a part of the Wyoming State Fair family. We look forward to seeing you at the fairgrounds and sharing in the joy and excitement of this beloved annual tradition.

Warm regards,

Shawn Steffen
2023/2024 Wyoming State Fair Board Chairman

WYOMING STATE FAIR GENERAL MANAGER

Welcome to the 2024 Wyoming State Fair!

As the 2024 Wyoming State Fair rapidly approaches, it is my absolute pleasure to extend a warm welcome to each and every one of you. Since its inception in 1905, the Wyoming State Fair has stood as a testament to our great State and a celebration of our shared values - Agriculture, Youth, Education, and Western Lifestyle.

For 119 years and 112 fairs, this event has been more than just a fair; it has exemplified what Wyoming truly represents. It's a place where we gather, not just to entertain and be entertained, but to honor and cherish the bonds that hold our communities together. We celebrate the hard work, dedication, and achievements of our friends, families, and neighbors. It's an opportunity to preserve our rich history and traditions, and to embrace the future through the exploration of innovation and industry trends in agriculture.

This year, from August 13th to 17th, we are excited to bring you an array of activities that embody our shared values. Whether you're entering a pie in our culinary competition, showcasing livestock, or enjoying the grandstand events (or perhaps competing in them), the Wyoming State Fair has something special for everyone.

Let's make the 2024 State Fair a place where old friends reunite and new friendships are forged. A place where we can share stories, laughter, and our favorite fair foods! It's a celebration of our way of life, our resilience, and our spirit.

I invite each of you to come and be a part of this wonderful tradition. Bring your family, bring your friends, and join us in making the 2024 Wyoming State Fair a memorable experience for all. Your participation, whether as a competitor or a spectator, is what makes this event the heart of Wyoming.

I am looking forward to seeing you at the Fair!

Courtney Conkle
Wyoming State Fair General Manager

WYOMING DEPARTMENT OF AGRICULTURE

Dear Visitors and Exhibitors of the 2024 Wyoming State Fair, Welcome to the 112th Wyoming State Fair! August is always a special time of year and one people across the state look forward to because of the Wyoming State Fair. For generations, the fair has been the place to showcase our agriculture, our entrepreneurs, and our young people in this vital industry. From the beginning of this event in 1905, the State Fair has always been an agriculturally focused event and we are happy that remains to be the case today. It is the summer meeting place of our industry where families come to see friends from across the state, share information, and do business. It is truly a Wyoming tradition.

The thing I look forward to most at the fair is the youth competition and the chance to see the efforts of our 4-H and FFA students. This is the culminating event that young people in our industry work towards all year. The action in the show rings and exhibit halls, the work ethic and friendships being built that you see in the barns, and the excitement of the young people on the grounds are easily the best parts of the fair. The youth that come and compete at the Wyoming State Fair are some of the best our state has to offer. Their hard work and dedication are on full display for everyone to see during this event. Take some time to walk through the barns and exhibition halls to visit with these exceptional young people. Visit with them about their projects and/or their animals and you will be amazed by the depth of their knowledge and efforts to prepare for this event over the year. You won't be disappointed. If you take the time to visit with these kids, you'll walk away knowing that the future of our industry is in good hands.

While the agricultural core of the fair remains the main focus and is always what I am most excited about, the Wyoming State Fair is more than just an agricultural event. The entertainment options and vendors found at the fair are fun for the whole family. From exciting grandstand events, to the vendors on the Midway, to the free entertainment, and the fair food we all love, there is truly something for everyone to enjoy.

Finally, putting an event like this on is no small feat. Thank you to the Wyoming State Fair Board, staff, volunteers, sponsors, and others who put a lot of time and effort into planning the fair and preparing these beautiful fairgrounds. I'm confident you will all have a great time, and I look forward to seeing you at the Wyoming State Fair!

Doug Miyamoto
WDA Director

2024 ANIMAL HEALTH REQUIREMENTS

Based on the September 2022 board directive, the WSF will defer to the Wyoming State Veterinarian (who is under the authority of the Wyoming Livestock Board) for guidelines on Certificates of Veterinary Inspections (CVI) and brand inspections. Exhibitors should be prepared to show ownership documentation upon request. Animals traveling from outside Wyoming are required to meet the rules for interstate travel. For further information, please refer to the Wyoming Livestock Board website, wlsb.state.wy.us/public, email lsbforms-applications@wyo.gov, or call 307.777.7515.

ANIMAL HEALTH REQUIREMENTS

A completed Certificate of Veterinary Inspection (CVI) listing individual animal official identification must accompany all livestock exhibiting at the Wyoming State Fair. The CVI must be issued by an accredited veterinarian within 30 days of entry.

- Electronic CVIs will be accepted.
- Both electronic and paper CVIs must be readily available upon request.
- Wyoming Livestock Board (WLSB) veterinarians will be checking CVIs and potentially inspecting every animal.
- All livestock entering the grounds may be subject to inspection by WLSB veterinarians upon entry or throughout the fair.
- Animals with active ringworm lesions or warts easily visible without close examination are not permitted to exhibit.
- Any animal showing evidence of infectious, contagious, or communicable disease may be immediately removed from the grounds and held in isolation until further testing is completed or released to the owner's premises.

Interstate livestock requirements may be found on wlsb.state.wy.us/public or at interstatelivestock.com. Questions may be directed to the Wyoming Livestock Board, 307.777.7515, or lsbforms-applications@wyo.gov.

BRAND INSPECTION REQUIREMENTS

A brand inspection is required on all cattle, horses, mules, and sheep moving intrastate across a county line prior to entry. A brand inspection is also required on all cattle, horses, mules, and sheep leaving the Wyoming State Fair and Rodeo moving intrastate across a county line or interstate leaving the State of Wyoming. Documents need to be presented for inspection at time of animal health check-in.

A Special Thank You!

To the dedicated individuals of the Wyoming Livestock Board and the State Veterinarian's Office, who inspect thousands of animals during the Wyoming State Fair to help keep Wyoming's animal agriculture healthy and safe. We appreciate you.

WASTE REMOVAL PARTNERSHIP

You and the Wyoming State Fair have the responsibility to have refuse disposed of in an appropriate manner.

All animal, feed, and bedding waste material from the State Fair goes to a recycling site to be composted. We need your assistance in the recycling efforts. Please keep your animal, feed, and bedding waste separated from your regular man-made garbage. It is the responsibility of each Exhibitor to keep stalls, pens, and/or exhibit areas clean and neat. In order to keep the barns in presentable order for guests, we ask the following of you:

- Have stalls cleaned and refuse material placed in the designated sites before 8:00 PM each evening.
- After 9:00 AM, all refuse is to be removed to the nearest designated refuse container

Thank you for your cooperation!

6. **Entry Process.** Entries are completed by the members' respective FFA Advisor or 4-H Educator. Read on page 9.
7. **Ownership.** All livestock must be owned by the individual member by the following dates:

9. **All youth animal exhibits for beef, goats, swine, and sheep are required to remain on exhibit for the duration of fair. Animals must arrive by 5:00 PM on Monday prior to fair and will be released on Sunday starting at 8:00 AM following fair.**
10. **Youth Animal Fitting Policy:** Exhibitors must be present for and actively participate in the fitting of their animals. In the interest of safety and education, an exhibitor may be assisted at the Wyoming State Fair in the fitting of their animal. Assistance is defined as a learning opportunity where the person doing the assisting is educating the youth exhibitor on the technique of ethical fitting as outlined within the premium book. Anyone found in violation of this rule may be subject to immediate disqualification or removal from the fairgrounds by State Fair Management.
Unethical Fitting at the Wyoming State Fair is defined as: the injection, use, or administration of any drug that is prohibited by Federal, State, or Local Law, or any drug that is used in a manner prohibited by Federal, State or Local Law; the injection or internal or external administration of any product or material, whether gas, solid, or liquid, to an animal that conceals, enhances, or transforms the true conformation, configuration, breed, condition, or age, or by making the animal appear more sound than otherwise would appear; the administration, use, or application of any drug or feed additive affecting the central nervous system; the administration of diuretics for cosmetic purposes; tissue manipulation, removal, surgical attachment, or otherwise to change, conceal, enhance, or transform the true conformation or configuration of the animal; attaching to the hide foreign objects including hair/wool or hair/wool substitutes, cloth, or fiber; any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef, sheep, swine, or goat carcasses.
Maintaining the integrity of the meat derived from the livestock exhibited at the Wyoming State Fair is the primary reason for the policies and procedures. Most of the market animals shown at the WSF were previously shown and sold before entry to the WSF. Exhibitors have a moral and ethical responsibility to produce meat that will be safe for the consuming public.
11. **Stalling/Pens.** All Youth show animals must be housed in the designated Youth section, unless given special written permission by the Youth Livestock Superintendent of the species in question, in cooperation and agreement with the applicable Open Show Superintendent.
12. **Bedding.** There is no bedding provided. Exhibitors must provide their own bedding. Read page 11.
13. **Livestock Trailers.** No livestock trailers can be parked on the grounds without proper permits displayed on the trailer. Complimentary permits are provided to each FFA Advisor and 4-H Educator based on their number of WSF registered livestock exhibitors. See page 9.
14. **Feed Delivery Vehicles.** Complimentary permits are provided to each FFA Advisor and 4-H Educator based on their number of WSF registered livestock exhibitors. See page 9.
15. **Blocking Chutes, Trim Tables, Fitting Stands, and Fans.** All livestock fans must be suspended. No fans attached to a cart or dolly. No butt fans. No fans in pedestrian walkways. Fans or equipment in use by exhibitors that is deemed to be obstructing safety or space, needed pen space, or facility operations will be requested to be removed by State Fair management. Safety guidelines, as set by the Wyoming State Fire Marshal, must prevail.
16. **Judges/Judging.** All judges' decisions are final. No person shall be permitted to judge a class in which he/she may be competing for an award or have ownership of any animal or article entered in such class. Judges are earnestly requested to familiarize themselves with the Rules & Regulations of this show. If any exhibitor interferes with the judges in the performance of their duties by letter, act, or otherwise, he/she shall be excused from competition and exhibition for such period as Management may determine and shall forfeit any awards received at this fair. Any person not an exhibitor who interferes with the judges in any manner during the performance of duties shall be asked to leave the judging arena.

Unsportsmanlike Conduct. Unsportsmanlike conduct will not be tolerated, and offending exhibitors may forfeit awards and premiums, be dismissed immediately from the fairgrounds, and/or lose future eligibility at the Wyoming State Fair. This is considered a violation of the *National Code of Show Ring Ethics*. Read pages 11-12.

17. Reporting Violations. Witnessed violations of the Youth Show Rules should be reported to an adult to then be addressed as follows:

1. To the FFA Advisor or 4-H Educator of the member whose entry is involved.
2. If the situation is not resolved, report to the state organizational leadership of the member. (State 4-H Coordinator or State FFA Advisor)
3. If the situation is not resolved, report to a member of the WSF Youth Show Committee to review.
4. If the situation might need legal attention, an appeal can be made through the WSF formal protest process only after steps 1-3 have been followed.

18. Protests. All formal protests from the Youth Livestock Show must be made by a current Youth Livestock Show exhibitor and must be submitted in writing, be signed by the Youth exhibitor(s), and be accompanied by \$100 cash or certified check (fee refunded if protest is sustained). The protest must plainly state the cause of the complaint or appeal and must be delivered to the State Fair Director immediately after the occasion for the protest. A protest pertaining to eligibility is most suitable when submitted prior to judging. No complaint or appeal that a judge overlooked an entry will be considered. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, interested parties may be notified and given the opportunity to submit evidence. A decision may be withheld until a complete investigation can be made.

19. Suggestions/Comments. Any person or group is encouraged to offer constructive comments and/or provide recommendations to improve the Wyoming State Fair Youth Livestock Show experience, to benefit all Wyoming youth show participants, at the present time and for the future. Comments may be made by visiting www.wystatefair.com.

GENERAL YOUTH LIVESTOCK POLICIES AND PROCEDURES

1. All Youth livestock entries are to be made online via ShoWorks from the county level. Entry deadline is Friday, August 9, 2024 (11:59 PM) for youth horse show, and 6:00 PM, Saturday, August 10, 2024 for all other youth entries.
2. All Youth Show exhibitors must have medical release forms from their respective youth organization.
3. Each FFA or 4-H exhibitor in this department is required to pay a processing fee as a condition toward application for entry. Processing fees are established as follows: \$20.00 per head for beef cattle (breeding, market, feeder calf, and cow/calf pair); \$15.00 per equine (halter and performance); \$10.00 per head for all alpaca, sheep (breeding and market), swine (breeding and market), and all goats; \$3.00 per rabbit; \$3.00 per bird (poultry); and \$3.00 per wool fleece. This fee shall be paid for every animal registered for exhibit, even if said animal is not ultimately shown.
These fees are to be paid in full (or a club/school voucher submitted to WSF) by the deadline of 8:00 PM, Monday, August 12, 2024. If fees are not paid in full, the exhibitor(s) will either forfeit the right to compete in the 2024 Wyoming State Fair or must pay a late processing fee of \$50 per county and/or chapter to be accepted.
4. Based on the board directive in September of 2022, the WSF will defer to the State Vets for guidelines on CVIs and Brand Inspections. For information regarding Certificates of Veterinary Inspection and brand inspections, please refer to the State Vet guidelines available at <https://wlsb.state.wy.us/public>.
When a question arises concerning the health of any animal exhibited on the fairgrounds, the Show Superintendent shall consult with the State Fair Veterinarian and recommend an action to the Fair Management. Said animal may be dismissed or quarantined, if necessary.
All livestock brought to the Wyoming State Fair must be accompanied by a current brand inspection, when applicable.
5. **NOTICE: Advisors and/or Agents making entry for the Youth Livestock Show are to figure animal head count/stall/pen needs accurately and properly, especially in the case where facilities have specified limits for space allowed per county and/or chapter. Those individual counties/chapters who exceed allocation shall be fined \$100.00 and the processing fees for the upcoming (next State Fair) year shall double (i.e., \$10.00 sheep fee goes to \$20.00) for all youth livestock shows. No exceptions. Honesty and integrity are the guide.**
6. During official class judging, only the exhibitor will be allowed in the show ring. In case of exhibitor sickness or other emergency, an animal may be shown by a substitute exhibitor, providing the substitute is a bona fide Wyoming 4-H or FFA member, and the Show Superintendent grants permission in writing and is recorded in advance of the show for an animal class. In Showmanship Classes, exhibitors must show their own animal.
7. Youth exhibitors are encouraged to enter Open Class shows. Online entries close July 24th, but most shows will accept late entries. Please see each Open show for details on fees and deadlines. Youth sheep exhibitors must enter the Open Sheep Show by 6:00 PM Thursday, August 15. **Please note registration paper requirements for Open Class Entries.** Original registration papers, or photocopies thereof, must be presented for all animals entered in classes so requiring. **Absolutely no "appiled for" registrations will be accepted.**
8. Wyoming State Fair Management encourages Youth Show exhibitors to wear 4-H or FFA emblems while exhibiting.
9. In case the total department premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair Management to meet budget.
In the case where no donor is designated, there will be no special award presented.
10. If a Premier Exhibitor award is given, it is based upon total points won by an exhibitor in the division. First place ribbons count as 5 points, second place ribbons count for 3 points, and third place ribbons count for 1 point. All other placements are 0 points.
11. There will be no dogs allowed in the Livestock Barns. Please review the guidelines and policy for dogs in the front of this book.
12. Each Youth member having livestock for show is required to keep their display area clean and have the stalls orderly at all times. Failure to do so may result in forfeiture of premiums and/or awards.
13. Herdsmanship is an important component of the youth show, and youth groups not meeting minimal daily herdsmanhip requirements may forfeit awards/premiums from the show. Stall cards are to be completed and on display for the duration of the fair.

ANIMAL DRUG TESTING

The Wyoming State Fair will continue drug testing Market Swine, Beef, Goats and Sheep. For these market species, drug testing will be mandatory for the top five placement winners and randomly selected market animals from each species

WHY

At the Wyoming State Fair we value education, animal welfare, protecting the food chain, and fostering fair competition. Drug testing is a valuable tool to help exhibitors and families to understand the possible implications of using substances on their animal.

HOW

By 5 PM on Tuesday (opening day) of the Wyoming State Fair, exhibitors must turn in a Quality Assurance Certificate and Statement of Disclosure (Drug Declaration) form for each animal to the Exhibitor Office drop box. These forms can be found at wystatefair.com or picked up at the Exhibitor Office.

GRANDS & RESERVES

Sample collection will take place immediately following the judge's selection by Jordy Drug Testing, or a State Fair Representative, and a parent, guardian, or witness over the age of eighteen for the exhibitor will escort the animal to the secured area and remain with the animal until a sample has been successfully collected, sealed and signed by Jordy Drug Testing and the exhibitor's adult representative (or the exhibitor if 18 or older). Chain of custody best practices shall be followed. Buckles will be presented ring-side and used for photos, then held at the Wyoming State Fair office until the test results have come back negative or are deemed excusable by the review panel. Exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their buckles and premiums.

RANDOM TESTS

Prior to animals entering the show ring, a class and placement will be announced that will be required to do a random drug test. Immediately after judging, Jordy Drug Testing, or a State Fair Representative, and a parent, guardian, or witness over the age of eighteen for the exhibitor will escort the animal to a secured area and remain with the animal until a sample has been successfully collected, sealed and signed by Jordy Drug Testing and the exhibitor's adult representative (or the exhibitor if 18 or older). Chain of custody best practices shall be followed. Exhibitors will receive a letter informing them of the results of the test and, if negative or excusable, their premiums.

CONSEQUENCES FOR POSITIVE TESTS

Upon receiving a positive test result from Texas A&M, a review panel will determine whether the result is excusable, and if inexcusable, the consequences for the exhibitor. The determination made by the review panel is final and not eligible for protest.

In the event of a positive test, the Wyoming State Fair will notify the exhibitor of the positive test and of the opportunity to contest the results by (1) requesting a test of the split sample, (2) providing written explanation and supporting documents for why the animal had a positive drug test result, or (3) both. The selection of the laboratory, or choice of laboratories, to be used for the testing of any split samples shall be determined by the Wyoming State Fair. The exhibitor is solely responsible for all costs associated with the testing of their animal's split sample. If an exhibitor elects to contest, the exhibitor must, within 15 days of receiving notice of the positive test result: (1) submit a written request for a test of the split sample along with proof that the exhibitor has paid the selected laboratory all costs associated with the test; (2) submit written explanation and supporting documents, if any, for why the animal had a positive drug test result; or (3) both. If the exhibitor fails to do either of the above, within the time provided, the exhibitor waives any right to contest.

To determine whether the original results are inexcusable and if consequences are warranted, the review panel will review the original drug test results, the split sample test results, if applicable, and any documents submitted by the exhibitor. If the review panel deems the original positive test inexcusable, the exhibitor will forfeit premiums and awards for the animal that tested positive.

Additionally, consequences for an inexcusable positive test may range from a 1-3 year probation period to a 1-3 year suspension period. During a probation period, the exhibitor's market livestock exhibits must be drug tested upon arrival at the Wyoming State Fairgrounds. The exhibitor will be responsible for drug testing fees during the probation period. During a suspension period, the exhibitor will not be permitted to show during the Wyoming State Fair.

In the case of a positive test resulting in disqualification, placements will not advance up.

Unethical fitting is deemed to consist of any method which alters the natural conformation of any part of the animal's body, or any animal having been operated on or tampered with for the purpose of concealing faults or with the intent to deceive.

- The attempted surgical or non-surgical alteration of conformation of an animal is prohibited, except for dehorning. Cattle are to be shown in their natural conformation. UPON ARRIVAL	Proceed to the stalling office in the red building at the south end of the Pepsi Center for stall assignments AFTER 9 AM SUNDAY. Check in with the horse show office at the north end of the Pepsi Center for class entry verification and exhibitor numbers.
QUESTIONS	First: Youth 4-H educator or FFA advisor. Second: www.wystatefair.com Third: Call the Wyoming State Fair Office at 307-358-2398

1. Rules and Regulations: General Youth Livestock Policies and Procedures apply to this division as well as those rules listed below.
2. The exhibitor and parent code of conduct will be observed and enforced. It can be found in the General Rules section at the beginning of this book.
3. A processing fee of \$15.00 per head per division is to be paid at the time the entry is made.
4. All classes are determined by the exhibitor's age. Whether 4-H or FFA members, you should enter the appropriate age division class. **Age divisions are: Juniors 8-10 years old, Intermediates 11-13 years old, Seniors 14-18 years old.**
5. Youth exhibitors pay no stall charges. Stalls will be available Sunday at 9 AM.
6. Stall assignments will be made upon arrival at the stall building at the south end of the Pepsi Equine Center. To be stalled together, you must arrive together. Exhibitors who do not clean their stalls at the end of the show will be subject to a stall cleaning charge of \$20. Stalls are to be vacated by the end of the show on Tuesday (unless prior arrangements have been made in writing and confirmed with the stalling office). Failure to clean stalls will result in forfeiture of premium earnings. Check out must be done with the stall office, not the horse show office.
7. Stall office hours will be 7AM to 7 PM daily starting the Sunday, prior to the opening of Fair.
8. Youth show exhibitors are to check in with the horse show office, at the north end of Pepsi Center to receive contestant number and pattern book. Horse show office hours are Sunday 3:30 PM - 5:00 PM, Monday and Tuesday 7:00 AM to end of show.

12. All 4-H and FFA equines entered must be the same as recorded by the 4-H or FFA member in his/her project.
13. NO STALLIONS are allowed in the Youth Horse Show.
14. Safe horsemanship guidelines must be followed at all times during the Youth Horse Show to protect exhibitors and spectators. Unsafe practices will be prohibited (i.e. riding double, riding bareback, riding with halters, riding at a speed greater than a walk outside of an arena). All animals must be under control at all times during the Youth Show. Unruly animals may be excused.
15. In the interest of safety, a parent, leader, or advisor may help check or change tack, hold the horse, saddle, bridle, or halter the horse prior to the member entering the arena.
16. The American Quarter Horse Association (AQHA) rulebook will be used to determine appropriate course of action for all performance and showmanship classes. Barrel Racing, Pole Bending, Goat Tying, Team Roping and Breakaway Roping will use National High School Rodeo Association (NHSRA) Rules. The judge's interpretation of any rule or guideline is final. This competition is not sponsored by Wyoming 4-H or FFA and any inquiries about rules, enforcement, awards, or processes should be directed to the Wyoming State Fair staff and show superintendents.
17. Judges will provide all other patterns and may choose from any resource. Pattern selections will not be announced in advance of State Fair. QR codes linking to the patterns will be posted at the horse show office.
18. Contestants will be denied entry into a class if they are not present for the last call into the ring. At judge's discretion, performance classes that exceed 20 exhibitors may be randomly divided into smaller groups and the top contestants from each group will be brought back for the final placing. No premiums provided for split classes - only final placings.

- Rules and Regulations: General Youth Livestock Policies and Procedures apply to this division as well as those rules listed below.
- This is a one-day carry-in cage show. Each cage must be self-contained.
- Due to the rapid development of diseases in rabbits, rabbits will be inspected at an animal health inspection site, off grounds, prior to entry on grounds. Any rabbit showing symptoms of disease shall not be allowed on grounds or shall be removed from the show area immediately. Any associated costs will be the responsibility of the owner, and all entry fees will be forfeited.
- Rabbits do not necessarily need to be pedigreed or registered or meet ARBA standards; however, exhibitors are encouraged to breed and show high-quality individual rabbits.
- No more than two rabbits may be shown in each class by the same exhibitor. Due to small numbers, varieties in many breeds will be shown together. No rabbit entries will be accepted the day of the show.
- If an animal is shown in a Fur Class, it must also have been shown in its respective Breed Class. Animals disqualified for reasons other than health may still show in the Fur Class. Fryer fur animals should be shown out of a meat pen only.
- Instruction sheet and comment card(s) will be handed out during check-in starting at 8:00 AM. Complete comment

card per instructions and be sure to put rabbit's class number in the upper right corner of comment card.

- Rabbit identification sometimes slows down the show. To speed up that process, exhibitors are asked to have all rabbits tattooed in the left ear. Please record tattoo number on the coop card. Valid entries from the county or chapter should include the computer entry plus a coop card.
- Wyoming State Fair encourages Youth Show exhibitors to wear 4-H or FFA emblems. These emblems may be on any long-sleeved garment. That garment cannot contain ARBA or individual rabbitry names or emblems.
- There are four separate showmanship contests for rabbits: FFA Showmanship • Senior 4-H Showmanship • Intermediate 4-H Showmanship • Junior 4-H Showmanship. There will be no premiums paid for Rabbit Showmanship classes.
- Herdsmanship is an important component of the youth show and youth groups not meeting minimal daily herdsmanship requirements may forfeit awards/premiums from the show.
- Current classes and varieties are the result of trends over the years. Additions and deletions are made each year based upon the trends shown by coop card numbers.,
- ENTRY INFORMATION:** The Class Code must include the Division number and Class number. **EXAMPLE:** If you are entering a Californian Senior Buck, your class entry would be **1618-6** (1618 for Youth Rabbit Show division; and 6 for Californian Senior Buck class.

4. Ewe lambs entered, processed, and shown as breeding animals may not be exhibited as market animals. Ewe lambs entered, processed, and shown as market animals may not be exhibited as breeding animals. The only exception is that Champion of Champions (CoC) exhibits that won Grand Champion Market Lamb at their county fair may be shown in both the CoC show and EITHER the breeding show or market show (but not both) at WSF. WSF market tags **must be** removed from all breeding ewe lambs.

Youth Breeding Sheep

DIVISION 1619

SHOW TIME

Thursday, August 15, 8:00 AM
following 4-H Sheep
Showmanship

1. Breeding sheep in breed classes must be registered. Every animal entered as purebred (registered) must have a registration paper issued by the respective breed association. Registered animals must be registered in the exhibitor's name, exhibitor's immediate family name or exhibitor's farm name, or FFA chapter name, and must be done so prior to ownership deadline. A duplicate of the original breed certificate must be presented to the Show Superintendent/Coordinator and on file by Tuesday of fair week at 9:00 AM. No "applied for registration" allowed. Tattoos, ear tags, or other identification marks must match registration certificates.

2. **Commercial Classes:** Sheep in Breed D and N (Commercial Crossbred Wool Type and Commercial Crossbred Wether Type) are not required to be purebred or registered, but must be individually identified by scrapie tag number on a bill of sale/brand inspection that proves ownership prior to ownership date. **A duplicate of ownership papers is to be presented to the Show Superintendent/Coordinator and on file by Tuesday of fair week at 9:00 AM.** All sheep not registered will show in these classes.

Due to the absence of breed certificate, Commercial Crossbred Wether Type ewe lambs will show by weight.

3. **Slick Shorn vs Fitted:** Slick Shorn shall be defined as having been shorn within 10 days of processing. The presence or absence of head wool on shorn lambs will follow National Breed Standards. Exhibitors are not permitted to use artificial coloring, paint/powder/airbrushing, or any foreign substance to cosmetically alter the natural color pattern of the Slick Shorn animal.

Fitted Sheep shall be defined as having at least 1" of wool on the majority of the body. Fitted sheep shall be exhibited according to National Breed Standards that apply to the fitting of that breed. Unethical fitting practices will result in disqualification.

The following breeds will have an option of showing in a Slick Shorn class or a Fitted With Fleece class:

- a) Dorset
- b) Hampshire
- c) Suffolk
- d) AOB Meat
- e) Commercial Crossbred Wether Type

The following breeds will be shown as Fitted With Fleece. No Slick Shorn exhibits in these breeds allowed.

- a) Columbia
- b) Targhee
- c) AOB Wool
- d) Commercial Crossbred Wool Type

4. Fitted sheep will be housed in the Open Sheep barn. If an exhibitor has both Fitted and Slick Shorn sheep, they may house them together in the Open Sheep barn; however, exhibitors with only Slick Shorn sheep will be house in the Youth Sheep Barn.

5. All ewe/ram lambs must still have their lamb teeth with no exposure of yearling teeth. If a lamb has lost a temporary incisor or has visible signs of permanent incisors, the lamb will be placed in the yearling class. Lambs are subject to being mouthed at the discretion of the show management at any time.

6. A Breeder's Flock shall consist of one eligible age ram, 2 yearling ewes, and 2 ewe lambs. Best Four Lambs shall consist of four lambs of either sex. All animals in a breeding group class must be owned by one individual and shown in either 4-H or FFA, but not both.

7. Should 25 head or more be entered in any class, the class will be randomly split into two subclasses for elimination judging. No premiums will be paid for subclasses.

8. **Youth show exhibitors are encouraged to enter the Open Sheep Show with enteries and fees due by 6:00 PM, Thursday, August 15 at the Open Sheep Show Office. No late entries will be accepted.**

9. **ENTRY INFORMATION:** The Class Code must include the Division number and Class number. **EXAMPLE:** If you are entering a Dorset Ram Fitted lambled in January of 2024, your class entry would be: **1619 - 59** (1619 for Youth Breeding Sheep; class 59 for Dorset Ram Fitted Lamb, born Jan 1-Feb 15, 2024.)

The wool produced from sheep varies from very fine to extremely coarse and from 1 inch to 12 inches in length for a growing period of 12 months. For yarn to be uniform, the wool from which it is made must be uniform, particularly as to length and fineness. This wide variation in the wool produced, plus the need for uniform fiber, gives a basis for present-day grades of wool. These grades are arbitrary divisions made primarily according to fineness and length. Other priorities include soundness, purity, character, color and condition.

A wool grader considers all these points. Clean wool content, fineness, length of staple and strength are the main characteristics considered in arriving at the value of wool.

GENERAL FFA POLICIES

1. All entries in the FFA Department must be from a Wyoming High School Agricultural Education Department and must be certified FFA projects. All members and chapters must be in good standing with the State Association.
2. All qualifying contests fall under the specific guidelines of the state contest for which the FFA member intends to qualify. (Example: County Showmanship for State FFA Showmanship.)
3. Read carefully the General Policies & Procedures and Youth Dormitory Regulations of the Wyoming State Fair. FFA exhibitors and advisors will abide by all applicable policies.
4. FFA Exhibits buildings open to receive entries at 8:00 AM, Monday, August 12th. All exhibits must be checked in and be in place no later than 5:00 PM, Monday, August 12. Exhibits shall not be released until 6:00 AM, Sunday, August 20. (Open Static releases at 7:00 AM.)
5. FFA member project entries in Agronomy, Ag Mechanics, and Classroom should be made out in the member's name, and member's complete address must be included.
6. All FFA chapter Agronomy, Ag Mechanics and Classroom entries should be made in the Chapter name and Chapter address.
7. A processing fee will be made for FFA exhibits in the Youth Livestock Department. Applicable fees will be charged where FFA entries compete in Open Class. All entries must be made with the approval of, or through, the respective Agricultural Education Instructor (A.E.I.).
8. **DORMS:** Each student attending the State Fair and staying in the dormitory must furnish their own bedroll and personal items. Cots and mattresses will be furnished. Information on the cost of dormitory room, meals, insurance, and registration will be sent out by the State Office. All students must have medical release forms. Each student not staying on grounds will purchase daily grounds admission.
9. **DORMS:** All chapter advisors having students in attendance at the State Fair representing their local school and FFA chapter and housed in a State Fair-provided dormitory **must** stay with their students and be responsible for the actions of their students at all times. Teachers will make certain in advance that their members are properly chaperoned in either the Girls Dormitory or Boys Dormitories.
All FFA livestock exhibitors are expected to stay in the dormitory with their chapter advisor, but at the discretion of the chapter advisor, an exhibitor may produce and submit an affidavit or release of liability signed by the student, parent(s) or guardian, the chapter advisor, and local school administrator to transfer the supervision of that student to another, relieving the chapter advisor of his/her responsibility to that child. This would therefore grant the student the ability to seek alternative accommodations which would be suitable to all parties involved. Failure to provide an affidavit or release, or failure to comply with this rule, will result in student dismissal from State Fair participation. All youth using the dormitory facilities will be responsible for the cleaning of the dorms throughout the week. Any member leaving the dormitory between night curfew and 5:00 AM must have the permission of an adult advisor/chaperone to do so.

10. CHAPERONES: Advisors must provide a chaperone for every 10 students, or arrangements must be made for these students to be properly chaperoned at all times.

Directions will be given from Stacy Broda for online registration in dorms and youth livestock reservations. Online registration must be completed Saturday, August 10th by 6:00 PM.

11. Any FFA member exhibiting at the Wyoming State Fair will not consume alcoholic beverages or other illicit drugs, regardless of age. Any youth identified with liquor or drugs will be sent home and will forfeit all awards and premiums. Any further disciplinary actions will be at the discretion of the local school or county involved.

12. Any violations of rules pertaining to member conduct (disorderly conduct, fighting, insubordination, etc.) will result in action taken by the Dorm Committee and/or State FFA Advisor.

13. Livestock Fitting Policy: An FFA member is expected to fit their own animal at State Fair. However, in the interest of safety and education, an FFA member may be assisted by another bona fide Wyoming 4-H or FFA member.

Assistance is defined as a learning situation where the person doing the assisting is teaching the FFA member a technique in fitting or showing. This person is allowed only to show the FFA member the proper skill or techniques, and the FFA member is expected to perform the majority of each technique/skill required.

Violations of this rule must be reported to the Show Superintendent before the animal enters the ring. A decision by the Youth Show Committee will be made before the animal is allowed to enter the ring.

If an FFA member is found to be in violation of the fitting rule, they will be disqualified from competition in any FFA or Youth Show Division contest at the Wyoming State Fair, including Showmanship Contests.

14. All designated committees will be responsible to resolve any problems arising in their competition area.

Dorm Committee: Troy Gladson, Kristi Holum, Mike McConnell, and Grace Godfrey.

15. GRIEVANCES: FFA Eligibility (exhibit or exhibitor): All grievances pertaining to the eligibility of an exhibit or exhibitor must be submitted in writing and accompanied by cash or certified check for \$50. If the grievance is allowed, the check and/or cash will be returned. The grievance must be submitted to the Event Superintendent and must be submitted with 24 hours of the infraction. The Grievance Committee will be composed of the Event Superintendent, Livestock Superintendent, and a State FFA Office Representative. The decision of this group will be final.

16. All chapters are responsible for keeping their dormitory area clean and leaving it clean upon departure. Any gross infraction of this policy will result in the withholding of that chapter's premiums.

17. Absolutely no mistreatment of animals will be tolerated, and infractions may result in immediate dismissal of member from the grounds.

18. All FFA members must attend the FFA Exhibitor Meeting with their Advisor on Monday, August 14 at 9:00 PM, in McKibben Cafeteria.

19. CREDENTIALS: Wristbands, season meal tickets, event tickets, advisor parking, and feed trailer passes **will be issued to advisors/educators only.** None will be issued directly to FFA exhibitors or their families. Individuals not staying on grounds will be required to purchase daily grounds admission if other proper credentials are not purchased. One day shows/events (rabbit show, etc.) are exempt from the wristband fee, but will purchase daily admission. Admission to specific youth activities will be based upon properly applied wristbands only. No Exceptions.

20. ENTRY INSTRUCTIONS: The class code must include the Division number and Class number. EXAMPLE: If you are entering Agronomy in Noxious Weeds; your class entry would be: **1702-4** (1702 for Agronomy Division; 4 for Class 4-Noxious Weeds.)

NOTE: A Chapter may only have one chapter entry number.

Agriculture Mechanics

DIVISION 1701

3. The judges reserve the right to re-enter entries in classes in order to make up more judgeable groups of entries.
4. Judges shall give greater consideration to an item built entirely by the student rather than a pre-fabricated item.
5. Entries in Class 1 must be mounted on display boards that may be any size less than 2 feet by 4 feet. Display boards may represent several students' work. Points from these classes will have equal value with other similar classes in judging sweepstakes. Individual items not mounted will not be judged. Boards not meeting the specifications will be placed lower than those boards that do.
6. All entries must be removed from equipment and placed in proper class area to be judged. Example: pickup bumpers and stock racks.
7. All projects not of quality will not be judged. This will be left to the discretion of the Agriculture Mechanics Committee. The items must be removed from the display area.
8. Any entries in the Agriculture Mechanics Class that are found to have been shown in previous years will disqualify that chapter for all premiums for the current year in the Agriculture Mechanics show. The Agriculture Mechanics Committee shall have the responsibility for making this decision.

GENERAL 4-H INFORMATION & 4-H POLICIES

1. All Wyoming 4-H members in good standing in their respective county programs are eligible to compete or enter exhibits in the 4-H Department's Shows, Divisions and Classes.
2. **Dormitories:** The Wyoming State Fair offers a housing opportunity to all 4-H members and designated county 4-H adult chaperone participants. No one will be permitted to stay in the 4-H section of the dormitories without appropriate credentials. Each county is assigned beds in the 4-H section of the dormitories. The head 4-H dorm chaperones will be in charge at all times.
3. **Credentials:** Wristbands, season meal tickets, season pins/passes, and feed trailer passes will be issued to UW Extension Educators ONLY for their 4-H county youth participants. None will be issued to youth or their families directly. NOTE: Wristbands will be required for all 4-H youth participants.
4. **Conduct:** Every 4-H member and 4-H adult volunteer or chaperone signed an agreement outlining behavior expectations. While participating as a 4-H member or volunteer, that Code of Conduct or agreement is in effect.
5. The use of alcohol, tobacco, and illegal drugs is prohibited at all 4-H events or activities. This applies to the 4-H section of the dormitories. Any 4-H member or 4-H adult chaperone that possesses or that has consumed alcohol or illegal drugs may be sent home. This can result in the forfeit of all awards, premiums and trips. Additional disciplinary actions may be taken at the discretion of the county 4-H program under the direction of the UW County Extension Educator.
6. **Medical Emergencies and Health Forms** - In the case of a medical emergency, seek immediate attention from medical professionals either by calling 911 or via the First Aid Station on the grounds of the State Fair. After immediate attention is addressed, please contact your UW County Extension Educator or the State 4-H Office (Ft. Caspar).

7. **Grievances:** Any protests must be submitted in writing and accompanied by \$50 check or cash to the State 4-H Office (Ft. Caspar). If the protest is granted, the check/cash will be refunded to the owner. The protest must be filed at least 12 hours before the completion/judging begins or within 12 hours after the end of the competition/judging. The matter will be addressed by staff from the State 4-H Office.
8. **Per the June 2021 MOU between UWE 4-H and the Wyoming FFA Association, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their FFA SAE or their 4-H project and enter the correct classes/divisions endorsed by the applicable organization.**
9. Due to the absence of interview judging at the state fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others.

SECTION 2- OBEDIENCE

- A 4-H member may compete in only one obedience class per dog with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
- The First Year Beginner Novice Class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the First Year Beginner Novice class only once.
- A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, must show the dog by these guidelines:
 - Junior and Intermediate exhibitors may move back or down one level.
 - Senior age exhibitors must show the dog at the highest level the dog has achieved.
- A dog receiving a qualifying score of at least 170 points at the designated annual county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
- High in trial will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.
- Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
- All dogs must enter/leave the show ring and compete with a leash.
- Bait and/or toys are not allowed in obedience competition.
- Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
- Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.

SECTION 5- RALLY

1. Eligible entries are identified and entered by each county 4-H Educator.
2. A dog can be entered in only one rally class.
3. Entries must achieve qualifying scores at their county level before competing in the State 4-H Dog Show. The level at which a member qualifies at the county level is the level in which they will compete at the State 4-H Dog Show.
4. A dog must advance levels after receiving 3 qualifying scores except for the RAE. Once a level is selected for the dog, the member may not drop to a lower level to compete with that dog. RAE class is indefinitely.
5. Dogs soiling in the ring will be disqualified.
6. All dogs must enter and leave the ring on leash. Those competing in On Leash classes should do so with a 6-foot leash.
7. Collars may be flat buckle (leather or nylon) or choke chains.
8. No bait (dog treats or toys) is allowed in the ring.
9. Rally Advanced Excellent (RAE) Class only- Participation ribbons will be given in the Advanced and Excellent classes regardless of qualifying score. If qualifying scores are received in both classes, then placement ribbons will be given.

1. Entries must have been exhibited at the respective county fair and have been designated eligible for state fair entry.
2. The Wyoming State Fair, State 4-H Office, and UW County Extension Educators or staff are not responsible for the loss of or damage to any exhibit or animal.
3. It is the responsibility of 4-H youth to verify correct entry of their exhibits with their 4-H Educator.
4. Due to the absence of interview judging at the State Fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others.

6. Posters, pictures, artwork and photography exhibits should come with a method for hanging them on hooks attached to pegboard. If the items cannot be hung, they will be displayed on the floor or table.
7. Display boards or poster boards must be able to stand on their own on a table.
8. Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the State 4-H Office, may not be allowed to be publicly displayed and/or judged.
9. Oversized exhibits will be displayed as space permits.
10. 4-H exhibits are placed as judged using the Danish system of recognition (purple, blue, red, white). Additional awards or recognition are available pending donor support.
11. All static exhibits must be in place in the 4-H Department by 5:00 PM on Monday, August 12.

Showmanship 101 for all species

Showmanship is about the person handling the animal; presenting and showing the animal to the best of a person's ability. It is about making sure the showman is looking at the judge at all times. Showmanship is really about how hard a person has worked, prepared and presents their animal to the judge.

Judges may be looking at your animals to evaluate them, but in showmanship they are evaluating the showman and how he or she is working with their animal and handling themselves. Showmanship is about teamwork, an important life skill, where the youth and animal learn to work together and demonstrate their hard work for a judge.

Definition – A quilt must be constructed from fabric with a top piece and a back piece with batting in between the fabrics and must be quilted and bound.

1. **PRE-PRINTED PANELS:** All entries that are a commercially pre-printed and/or pre-quilted panel should be entered in the Bedcover Division class 510-3. If you have pieced (consisting of more than just adding borders and binding) a pre-printed panel into a quilt top that you have then quilted, it can be entered in the appropriate class in Division 509.
2. All work on quilts in Division 509 must be the sole work of the person whose name the quilt is entered under, otherwise it **MUST** be entered in the **GROUP** Quilt Class.
3. **First-time quilters** need to enter under Miscellaneous Quilts, First-Time Quilters, Youth, class 98 or First-Time Quilters, Adult, class 99. To be eligible for the First-Time Quilters Award, it must be the first time exhibitor has exhibited at the Wyoming State Fair in the Needlework Department. (There is no requirement for the entry to be the first quilt that the exhibitor made).
4. **Quilt Size:** Measure the length and width of your quilt-add these two numbers together. This is the figure you will use to determine which class to enter your quilt in. **Pin an index card to the front with the length and width written down and the class you would like to enter your quilt in.**
5. **Mixed Media** is the combination of two or more techniques. (Example: Applique & pieced work, or a combination of applique, beadwork, embroidery {machine or hand}, and pieced work, etc.). All/any embellishments must be permanently secured to the entry. (We will not allow the temporary use of safety pins to attach embellishments to items so that they can be qualified to enter a mixed media class.) All embellishments need to be a planned and properly executed technique pertinent to the quilts competition classification.
6. **Professional** is one who teaches quilting for fees, makes a practice of selling labor/or completed works, or has been a previous Best of Show winner twice in the non-professional class. **It is the sole responsibility of the entrant and NOT the Superintendent that all quilts are entered in their proper Professional and Non-Professional Categories.**
7. **The criteria for entering in a group quilt class, whether to enter in the Professional or Non-professional categories, will be based on who constructed the top. If a non-professional constructs the top but has it professionally quilted, it will then be entered in the non-professional categories.**
8. The classes in the Miniature Quilts, Wall Hangings, Heritage Quilts, Art Quilts, and the Miscellaneous Quilts categories are open to the Professional and Non-Professional exhibitor. All of the classes can be entered as an individual or as a group quilt classification, meaning more than one person can contribute to these projects.

AI Assisted Artwork

DIVISION 113-114

AI Assisted Artwork is art created using a generator tool like Midjourney, DALL-E 2, Jasper Art, and others. It is the artist's responsibility to ensure that they use the generator in accordance with all applicable laws.

1. For all classes in this division, a step-by-step account must be provided, with accompanying screenshots, of the prompts/direction given and the resulting images. This allows the judges to critique grasp of knowledge and proficiency in using the generator to produce the desired results. Exhibits submitted without this step-by-step account will not be judged. This should be submitted on standard letter-sized paper, one-sided, and in color. Artist's name should not appear anywhere on this paperwork.
2. For the entire division, no prompts/direction shall reference any specific artist (i.e. you cannot prompt something "in the style of Bob Ross" or "like van Gogh.") Any such direction to a specific artist will be grounds for disqualification, and the piece will not be judged.
3. For class 1, a starting image will be provided by WSF and the artist will manipulate it with at least four (4) alterations. For class 2, a starting prompt is given, which must be used as the initial prompt, and then manipulate with at least four (4) alterations.
4. Artists are expected to clean up any "glitches"--i.e., extra appendages, misshapen or distorted features, unrealistic colors or textures (unless going for a surreal effect), unintended elements or duplication. Any glitches that remain will be considered with prejudice for judging.

DIVISION 114 - Youth (have not reached their 19th birthday before August 1 of the current year)

CLASS

1. Common Starting Image--scan the QR code to access, or visit www.wystatefair.com to download the file.

2. Common Starting Prompt--use the following as your starting prompt/direction for your image. You may pick specific lines, themes, images, etc., and should use at least three elements.

"When you live in the West, pay attention, listen.
Earth, Air, Fire and Water are your constant companions
but so are sunrises, mockingbird mornings
when the curtains swell with sweet spring.
Without the storms, the sego lilies would not bloom
on the Red Desert, sprung unbidden
in a place of their choosing,
and the antelope would not run free
cutting before you on the road to the lake.
The hot winds of summer remind you, savor this.
It will change."

Excerpt from "Facing the Elements" by Barbara Smith, Wyoming Poet Laureate. Used with permission.

WOOL SHOW WINNERS

Miss Rodeo Wyoming 2024

Bailee Mackey

"In Wyoming, the beauty of our mountains is matched by the grit of our people." On August 17, 2023, at the Wyoming State Fair, Bailee's life was changed forever. She was blessed to have the jade and gold crown placed on her cowboy hat as she was crowned Miss Rodeo Wyoming 2024. Bailee has met rodeo committees, stock contractors, rodeo fans, communities, and sponsors. She has worked hard to represent the state of Wyoming and our western traditions.

Bailee Mackey is the 24-year-old daughter of Payton and Marlene Mackey, a fifth-generation rancher from Evanston attending school online at Utah State University, pursuing a degree in Equine Science and Management specializing in equine nutrition and chiropractics. She enjoys riding horses on her family ranch, working cattle, expressing her love for trucks, snowmobiling in the cold, riding dirt bikes in the summer, and tweaking motors in her spare time, along with competing in the Intermountain Reining Horse Association, helping the university's equestrian team, and helping the youth through 4-H clubs and her local FFA chapter. Bailee grew up showing livestock and competing in judging events in 4-H and FFA. She enjoys giving back to the youth and sharing the knowledge she has learned along the way. Bailee is an honor student and has held a two-time state high school championship in Dance and Drill as well as Allstate Dancer. Her college accomplishments include a two-time semifinalist individual qualifier in the Intercollegiate Horse Show Association, competing with the Utah State Western Equestrian Team, coaching the USU Equestrian Team to a Regional Championship and semifinalists, and being the captain on the team.

Bailee would like to share her platform "Find Your White Buffalo" throughout her travels. The beauty and rarity of a white buffalo encases the spirit Bailee would like to encourage. An American Buffalo shows resilience by running directly into the storm and overcoming the weather. Bailee encourages others to pursue their dreams no matter the journey that lies ahead.

GOLF CART USE RULES AND GUIDELINES

Only licensed drivers or those persons who are sixteen (16) years of age or older may drive golf carts that have been donated or leased to Wyoming State Fair/State of Wyoming. “Donated” means supplied by a commercial business or sponsor for use as needed by WSF. Learner or Student driver permits are NOT valid driver’s licenses. Personal golf carts will comply with WSF Golf Cart Registration Rules and Guidelines. Golf carts owned by a member of a Wyoming State Fair staff or board are considered personally owned even if donated to and for use by staff or board members, and they will be registered as such. Safety comes first. Persons who fail to operate a golf cart in a safe, responsible manner may lose on-park privileges as determined by state fair management.

The term “ATV” includes all commonly recognized All-Terrain Vehicles (ATVs), Off-Road Utility Vehicles (ORVs), or Recreational Utility Vehicles (RUVs) including, but not limited to, Polaris Ranger, Polaris RZR, Yamaha Rhino, Kawasaki Mule, and any other non-golf cart utility vehicle. Only the WSF staff or the contracted Security company are allowed to operate ATVs on the fairgrounds.

Golf Cart Rules & Guidelines for Use

1. You are cautioned to drive slowly and exercise extreme caution when operating any type of motor vehicle on the Wyoming State Fair Park.
2. A golf cart permit must be purchased at a fee of \$220 per cart and proof of insurance will be required for each golf cart. To date, ATV’s are only allowed for permit by the contracted security company for the WSF and WSF staff. No exceptions.
3. Each golf cart must be registered with the Exhibitor Office located by the Rotary building immediately upon arrival. The WSF Exhibitor Office will issue an official permit for each registered golf cart which must be displayed thereon for the duration of the fair. Failure to register a golf cart will result in a cart being seized by Security for the remainder of the fair OR until registration is made and the fee is paid in full.
4. Livestock and pedestrians have the right of way. Exercise extreme caution around livestock.
5. Be aware that children are present throughout the park, and they often don’t watch for traffic.
6. Golf carts are not permitted in the carnival area or down the main midway during the hours of 10:00 AM to 11:00 PM, with the following exceptions: disabled services, security personnel, the vendor coordinator and maintenance/repair crew.
 - a. Always lock and secure the golf cart when not being used, such as when storing overnight.
 - b. Never back up without looking to see what is behind the cart.
 - c. Never shift gears while the vehicle is in motion.
 - d. Never exceed a safe speed.
 - e. Never operate the golf cart with more passengers aboard than the golf cart is made to accommodate.
 - f. Reduce speed to compensate for livestock, pedestrians, and weather conditions.
 - g. Maintain adequate distance between vehicles.
 - h. Approach sharp or blind corners with caution.
 - i. Keep hands, legs, feet, and arms inside the confines of the golf cart when it is in motion.

All persons that will be operating a donated or leased golf cart must read these rules and guidelines prior to being issued a golf cart permit. Any person failing to comply with the rules and guidelines for operation will be reported to the contracted security company, and you will lose golf cart driving privileges on the Wyoming State Fairgrounds. If the violation is of sufficient severity, the golf cart may be confiscated on the spot by Security or the golf cart company in charge of golf carts. Violations of a severe nature will be turned over to the Douglas Police Department for investigation.
