

2013 WYOMING 4-H STATE LEADERSHIP TEAM

Ali Wadsworth

Hi my name is Ali Wadsworth and I am 17 years old. I am from Sublette County and a senior in Pinedale High School. I have been in 4-H for 10 years and have been in many different projects including OTAGS, Quilting, Photography, Dog and Horse. One of the main things that I have gotten out of 4-H is the opportunity to give back to my community. I have been able to participate in many projects helping the less fortunate and the elderly through 4-H as well as planning and helping with activities for children. Because of this, I have learned a lot about myself as a person and how important it is to participate in my community. In addition to 4-H, I have participated in extra-curricular activities such as National Honor Society, Concert Band, Jazz Band, Volleyball, and have managed other sports. Next year I am planning on going to the University of Wyoming to major in Speech-Language Pathology.

Ty Espy

Hi! My name is Ty Espy and I am from Carbon County. I am currently a junior at Rawlins High School where I am a member of National Honor Society. This is my ninth year in 4-H and I am a member of the Rawlins Reliables 4-H club. I have held the offices of parliamentarian, treasurer, secretary, vice president, and president. I have been involved in various animal projects, leathercraft, and I am a member of our county's junior leaders. I am proud to be on the 2013 state leadership team and look forward to promoting 4-H around the state.

Aleighica Keeran

Hey! My name is Aleighica Keeran and I'm from Torrington in Goshen County. I'm 18 years old and currently a freshman at the University of Wyoming studying Early Childhood Education. I've been involved in 4-H for the past 11 years and want my last year to go out with a bang! I'm very involved in Shooting Sports but I also participate in photography, fabric and fashion, food and nutrition, Jr. Leaders, and I show cats and dogs. I'm so excited to be a part of the State Leadership Team this year to help spread the word about youth involvement and the great opportunities available for them. My last year will be impacted greatly by being on this team and being able to represent Goshen County and the whole state of Wyoming.

2013 WYOMING 4-H STATE LEADERSHIP TEAM

Brookely Schamber

Hi, my name is Brookely Schamber, and I am from Sublette County. I am an eight year 4-H member, National Honor Society member, and a local FFA chapter officer. I have participated in nearly all of the livestock projects in 4-H; such as market steer, swine, and goat, as well as non-livestock projects including, quilting, dog, horse, junior leader, and archery. All of these projects have taught me valuable lessons, and I look forward to being able to share the experiences and knowledge I have gained with other 4-H members from around the state! I am honored to have been selected for the Wyoming State 4-H leadership team, and I hope to be able to positively impact 4-H members, from around Wyoming, the same way I have been impacted by past members and leaders.

William Wood

Howdy, my name is William Wood. I am a senior at Laramie Senior High School. This is my 11th year in 4-H. I've participated in animal projects, general projects and I also cook and sew. I am the vice president of the Snowy Range FFA Chapter, compete in bull riding for high school rodeo and I am the goalie for the Laramie Outlaw (high school) hockey team. I am also an advocate for finding a cure for Type 1 Diabetes but I am living proof that having diabetes does not slow one down. I have had a lot of wonderful opportunities in 4-H and I am looking forward to giving back to the program as a member of the leadership team. I hope to meet a lot of members from across the state and learn from them and hopefully inspire younger kids to participate fully in the 4-H program.

Brittany Randall

My name is Brittany Randall. I am a junior at Southeast High School in Yoder, Wyoming. I play tennis and soccer for the Torrington High School Trailblazers. I have been involved in 4-H for 10 years and it has been a great part of my life. I participate in dairy goats, meat goats, archery, shotgun, pistol, rifle, visual arts, and youth leadership. I am involved in the Goshen County Jr. Leader program. As Co-President my duties are to reach out and interact with other Jr. Leader programs throughout the state. We also strive to reach out and encourage new people to join 4-H. 4-H has a lot of opportunities and trips to attend. As a member of the 2013 State Leadership Team, I hope to interact with counties and encourage youth to try new opportunities, just like 4-H encouraged me.
