Leadership

- 4-H: 2013-Present
- FFA: 2016-Present
- Southeast Honor Society: 2020-Present
- Goshen County Junior Leaders President: 2019-Present
- Southeast FFA Treasurer: 2021-Present

Community Service

- Southeast FFA – 30+ hours of community service. This includes activities such as cleaning up the Yoder Cemetery, shopping and organizing for Operation Christmas Child, and building the new pens for the Goshen County Fairgrounds.
- Horseshoe Acres 4-H – 50+ hours of service. Through my 4-H club, we complete various projects such as donating money, running food drives, visiting retirement homes, ringing the Salvation Army bell, and much more.
- Goshen County Chick Quest – This is an educational experience I help bring to life in the community. I bring fertile chicken and duck eggs to classrooms in the elementaries across the district to educate young children about ag and to give them hands on experience with it. After instruction from Megan Brittingham and myself, the teachers and their students attempt to hatch the eggs we provided. This ag in the classroom has been a hit, with over 250 students in 2021 alone partaking.

- Coach/Assistant Coach – Donated my time to help coach elementary students in sports. I was the head coach of a flag-football team for kindergarten through second grade team. I have also helped assistant coach tee-ball and peewee soccer.
- President, Goshen County Junior Leaders – Through Junior Leaders, I get many opportunities to help the community and gain leadership skills.
- Camp Counselor - I donate my time and resources to help plan and run a camp for eight through twelve-year-olds every summer. Also assist in the planning and running of Cloverbud Day Camp each year.
- Junior Superintendent - I help run and organize the Goshen County Fair and am often in the background running events.
