Jaycee Hendrickson

My name is Jaycee Hendrickson. I am from Kemmerer, Wyoming and I am a junior at Kemmerer High School. I participate in high school rodeo, student council, NHS and student council. I am the oldest of 7 kids. My family runs Angus cross cattle on our family ranch, Fox Ranches. This is my 8th year in 4-H. I show market steers, horses, am a member of our junior leader team for my county and I am the Hamsfork Hands Club President. 4-H and agriculture has always been a large part of my family and of my life. Through 4-H I have been able to grow as a leader and an individual, along with build lifelong friendships with kids around the nation. Through my time on the State Leadership Team I hope to be able to be a positive role model to the younger youth throughout the state, as well to continue to grow personally.

Nyckalas Harvey

My name is Nyckalas Harvey from Lovell, Wyoming and a junior at Lovell High School. I am the younger of two kids in my family. Farming and agriculture have always been a big part of my life and a huge influence on my future. I am the historian/reporter in the 9'ers 4h club, a member of National Honor Society, Lutheran Youth Fellowship and a dedicated 4H'er. This is my third year in 4-H and have showcased many projects at the state and county level. I have showed horse, dog, photography, cake decorating, woodworking and I have consistently showed market goats. I have had the great opportunity to win the Market Goat Champion of Champions Goat Show at state fair and have started expanding my showing to national levels. I could tell about the many things I have learned in 4-H but to me the most important is giving back to everyone who has helped me and the program itself. I love helping others in my club and helping the youth develop into 4-H loving members. I plan on attending the University of Wyoming and then moving back to the small town of Lovell to give back to the community and everyone who has helped me, and eventually one day start a 4-H club of my own.

Nathan Lee

Hi, my name is Nathan Lee. I am from Pinedale, Wyoming. In 4-H I participate in Archery, Shotgun, Muzzle loading, and Junior Leader. I just completed my 7th year in 4-H. Outside of 4-H I enjoy hunting and fishing in the mountains around Pinedale. I really like to get into the outdoors and relax. I am in NHS and Student Council with my school. I look forward to give back to my state with the 2014-2015 Wyoming 4-H State Leadership Team.

2015 State 4-H Leadership Team

Tyra Relaford

My name is Tyra Relaford and I am from Sheridan, Wyoming; I was one of those kids who, while growing up, was bounced around from family member to family member. I spent a lot of time on feed lots, in the backs of semi-trucks, and at rodeos; all of these things built a foundation for me which has come in very handy in my life. Currently, I am in my 8th year of 4-H and I am continuously dumbfounded by the multitude of amazing opportunities that are available through 4-H; I am so thankful for the beneficial skills it has provided me with which allow me to be on this team. One of my favorite things to do in 4-H is work with the younger members, whether in my county or from across the stage. Along with being a Sheridan County Junior Leader and a member of the State Leadership Team, I dance competitively and teach classes to the younger girls, most are from about seven years old to two years old. I love it and oftentimes spend anywhere from ten to sixteen hours in the studio.
