

Training and Screening Waiver

I understand that I must:

- Successfully pass the volunteer screening required by UW. Volunteer screening includes two parts:
 - Criminal background check completed every 5 years, AND
 - Motor vehicle records check completed annually
- Complete new leader orientation through a short online course
- Attend a face to face training with my local UWE 4-H Educator
- Complete any additional training or certification required to successfully function in my volunteer role as a project, chaperone, activity/event, committee, coach, or club volunteer.

I realize that I am not an official 4-H volunteer for UW until I receive confirmation from UW that such steps are completed and I understand that the benefits of being a UW 4-H volunteer are not applicable until I am officially appointed as a 4-H volunteer for UW.

(An e-mail with instructions and appropriate links will be sent to you after you have completed your 4-H enrollment.)

By Entering my Name I agree to the Above Release
