<b>11. Detachment/CC PMT Time Deviation Approval</b>		APPROVED		DISAPPROVED		N/A	DATE:	
	Deviations from the mandatory PMT maximum time limits must be approved by the Detachment/CC in writing and must be reasonable and justifiable. Blanket deviation statements are not authorized. Each instance must be addressed individually. This event combined with the weekly LLAB/PT will exceed the six hour limit. No objections have been presented from within the cadet wing at this time. Students with legitimate schedule conflicts will be excused on a case-by-case basis. The value of training that will be received makes this request both reasonable and justifiable.
