Brandy graduated from the University of Wyoming in 2000. Wanting to stay true to her small town roots and remain in Wyoming, she joined MHP in August 2000, which she is a licensed CPA and partner.

Brandy provides services in audit, accounting, consulting, employee benefit administration, tax planning and return preparation for both businesses and individuals. Her client portfolio includes government entities, commercial entities, not-for-profits, employee benefit plans, small businesses and individuals.

She is a key component in the Firm's efforts to continually develop and refine its processes to ensure timely and quality client service. Brandy is also very passionate about people development and mentoring.

Brandy is a Wyoming native, as is her husband, Steve, who is a taxidermist and avid hunter and fisherman. They have two children – Trevor and McKenna – who keep them very busy. Both children are well known at the Firm and know which partner or staff to seek out to find the candy stash. Outside of attending school and sporting events for her children and spending time with her family, Brandy enjoys spending time exploring the outdoors, reading and traveling to see family and friends.
