

TOM WALSH

**CEO & BOARD MEMBER -
TECHNOLOGY ENTERPRISES**

Bachelor of Science 1987, Accounting

Tom Walsh has led numerous global technology and data enterprises and has excelled in fast-paced environments which demand change. Throughout Tom's 35+ years of experience he has led and transformed multiple global growth businesses leveraging organizational culture change initiatives, customer segmentation and Go-To-Market optimizations, and tangible Ai/ML product deployments. Tom has led businesses and teams which have operated in North America, Latin America, Europe, Africa, and Asia.

Currently Tom serves as independent board member to Atheneum, a German based expert insights and market intelligence Research-as-a-Service provider; FASTPATH, a North American based provider of Application Access Security, Audit, and Risk Management Solutions; and Advisory Board Member to Pamlico Capital Equity a Charlotte based private equity firm. Prior roles included that of CEO to a global financial crime screening and artificial intelligence company, a healthcare data analytics company, as well as General Manager for multiple divisions of global public company entities.

He holds a B.S. in Accounting with a concentration in Finance from the University of Wyoming ('87) as well as various executive and continuing education programs including those through the Tuck School of Business at Dartmouth, and the IE Business School, Madrid, Spain.

Tom has two adult children and now lives in Fort Collins, CO with his wife who is also a graduate of the University of Wyoming.
