Much has been written about returning to campus in a post-pandemic world, including lessons learned from the shift to remote teaching and learning. As UW transforms to a new era, it is important for faculty and academic administrators to identify which of these new digital practices were successful and sustain them as part of their regular face-to-face course and program delivery. It is paramount that students are provided robust campus experiences that foster learning – both in and out of the classroom. While the number of in-person classes increased in Spring semester 2022 and are on an upward trend in Fall semester 2022, it is expected that by the Spring 2023 semester, on-campus course offerings (albeit blended with new digital strategies) will return to near pre-pandemic levels. The Office of Academic Affairs will continue to adapt plans and guidelines as necessary in response to COVID-19 developments and university policy.

UW Regulation 2-117 “Course Syllabus Requirements” provides guidelines for the development and distribution of courses syllabi. This regulation is available for review at: [www.uwyo.edu/regs-policies/_files/docs/regulations-2018/uw_reg_2-117_approved_7-12-18.pdf](http://www.uwyo.edu/regs-policies/_files/docs/regulations-2018/uw_reg_2-117_approved_7-12-18.pdf)

To aid in syllabus development, a syllabus template containing required information and sample language is provided at: [www.uwyo.edu/acadaffairs/resources/syllabus/index.html](http://www.uwyo.edu/acadaffairs/resources/syllabus/index.html).

This document contains recommended language for course syllabi based on current university policy and procedures. In some cases, instructor notes are provided for further clarification.

1. **COVID-19 Requirements:** As a matter of public health and safety due to the COVID-19 pandemic, all members of the University of Wyoming community must follow university, state, and federal requirements. Please check the UW COVID-19 website for University policies, guidelines, and resources.

2. **COVID-19 Vaccination and Boosters:** UW continues to strongly recommend COVID-19 vaccination and boosters, which have been proven to be highly effective and safe -- and effective in preventing severe illness and hospitalization, even with Omicron and its highly transmissible subvariants. UW’s only vaccination requirement -- in accordance with a federal rule -- is for employees of health care units, with religious and medical exemptions available.
3. **Facial Coverings**: As has been the case since Feb. 21, 2022 masks are not required in UW facilities, except health care settings. Individuals are provided the opportunity to assess their health and wear a mask if deemed appropriate.

4. **Preventive Guidelines.** The University encourages all students, faculty, and staff to abide by the preventive guidelines which keep our community healthy, including:
   - Not coming to campus if you are sick.
   - Minimizing contact with shared surfaces.
   - Washing your hands often with soap and water for at least 20 seconds. If soap and water are not available, use hand sanitizer.
   - Avoiding touching your eyes, nose, and mouth with unwashed hands.
   - Covering coughs and sneezes with a tissue or use the inside of their elbow

5. **Classroom Behavior**: Everyone in this class is responsible for maintaining an appropriate learning environment regardless of the mode of instructional delivery. As with other disruptive behaviors, we have the right to dismiss you from the classroom (Zoom and physical), or other class activities if you fail to abide by these COVID-19 policies.

   *Instructor note:* These behaviors will be referred to the Dean of Students Office using the UWYO Cares Reporting Form for Student Code of Conduct processes.

6. **Syllabus Changes:** I will alert you to any possible changes in course requirements, including course format changes, in response to UW decisions about community safety during the semester.

7. **Attendance Policy:** Attendance may be impacted by the COVID-19 pandemic.

   *Instructor note:* UW will adhere to [UW Regulation 2-108](https://uwyo.edu/regulations/2-108) (Student Attendance Policy). The Dean of Students Office issues excused absences in accordance with this policy. However, instructors are encouraged to provide additional information on the attendance policy specific to COVID-19, including information specific to your course and modality of delivery. Below are a few examples. Use as relevant to your course delivery method.

   - a. Any student notified that they have tested positive for COVID-19 or that they have been exposed to someone who has tested positive for COVID-19 may need to self-isolate or self-quarantine. Students should seek guidance from their primary care provider, Student Health, the Wyoming Department of Health, and the COVID Hub.
   - b. Students will not be penalized for having to self-quarantine or self-isolate. Course materials and assignments will be available for completion in an alternative modality if needed.
   - c. Hyflex Absences (include this in your syllabus if implementing this approach)
An official student absence for the Hyflex version of this course is when a student meets the following criteria:

- The student misses a scheduled in-class session.
- The student or a dedicated representative of the student fails to communicate the reason for their absence within the week of the absence.
- The student does not engage with the week’s course material and/or does not turn in the week’s assignment on time.

d. Online Absences

An official student absence for the online version of this course is when a student meets the following criteria:

- The student does not engage with the week’s course material and/or does not turn in the week’s assignment on time.
- The student or a dedicated representative of the student fails to communicate the reason for not engaging with the course material and/or not turning in the week’s assignment on time within the week of the absence.
- The dedicated student representative is the person tasked by the student for reaching out on their behalf when they are not able - e.g., parents, other family member, significant other, etc. A faculty member can receive information from the student’s dedicated representative but would need a FERPA release in place to discuss anything further. The Dean of Students will assist in these situations.

e. Delayed arrival due to COVID-19 pandemic

- In addition, some students may not be able to return to campus in time for the first week of classes due to complications arising from the global COVID-19 pandemic, including international travel disruptions and scheduling delays for visa appointments. UW faculty are encouraged to accommodate students who cannot fully return to in-person, on-campus instruction so that those students can continue to make progress toward their degree.

8. Hyflex Course (if relevant): We know the past two years have resulted in disruptions of many kinds and impacted many plans to continue your education. This course has a Hyflex component, which means that the class is taught on campus, but you can take
online. This type of course delivery may help you stay on track for your degree when you cannot be on campus but need to take in-person classes. Staying enrolled every semester is one of the very best ways to progress towards your degree.

Please note: Seating is limited and Hyflex delivery is not guaranteed. Please contact me to inquire about seat availability and Hyflex course procedures.

9. **Disclaimer**: The University of Wyoming COVID Policy, including this Student Attendance Policy, is informed by health and safety recommendations from the CDC and the Wyoming Department of Health. The COVID Policy may be modified based on the evolving environment and virus transmission. Please refer to this document regularly. You can find the UW COVID Policy and other information at: [http://www.uwyo.edu/alerts/campus-return/index.html](http://www.uwyo.edu/alerts/campus-return/index.html).

**Additional Information for Instructors**

**Courses expectations**: You may want to include additional expectations regarding student responsibilities, such as:

As with all UW coursework, this course will be educational and useful to you. I will respond to questions, concerns, and feedback in a timely manner.

Your responsibilities include:

- Give and receive feedback from me and your classmates respectfully and constructively in all interactions. This includes in Zoom chats, on WyoCourses boards, and within physical classroom spaces.

- Actively engage in civil discourse in a respectful manner. Use professional language in all course related forums.

- Communicate professionally. Whenever you send class-related email or messages, please include a clear, specific subject line and use the body of the email or message to explain the purpose for the email and any attached materials. Conduct yourself professionally.

- Meet assignment deadlines. We expect that you’re interacting with course material multiple times during the week.

- Ask for help when you need it. You may think it’s a sign of weakness to ask for help. Asking for help is actually a sign of strength! We have many, many free resources for you at UW – tutoring [https://www.uwyo.edu/step/](https://www.uwyo.edu/step/) and study group apps, IT support [http://www.uwyo.edu/infotech/](http://www.uwyo.edu/infotech/), the Writing Center [http://www.uwyo.edu/writing-center/](http://www.uwyo.edu/writing-center/), supplemental instruction [http://www.uwyo.edu/learn/](http://www.uwyo.edu/learn/), peer mentors and
Cowboy Coaches (http://www.uwyo.edu/student-success/cowboy-coaches/index.html), and the Student Success and Graduation Hub (http://www.uwyo.edu/student-success/index.html). For academic assistance for this course or other courses, please contact me for available resources. Several great resources are available here (http://www.uwyo.edu/learn/) and here (https://www.uwyo.edu/dos/student-resources/).

**Information Technology (IT):** If you have any IT related challenges, please contact the UWIT Service Center:
