Successful completion of the 2+2 plan requires that a student remain continuously enrolled and graduate with the associate's degree from his or her respective community college. • If an associate's degree includes transfer credit from another institution, those external credits may not have equivalencies at the University of Wyoming (UW) and can impact the nature of the 2+2 plan. Please consult with an academic advisor. • Be aware that different academic institutions have different grading policies that can impact the transfer of courses. Please consult with an academic advisor. • This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the catalogs of their respective institutions and consult with their academic advisor to plan accordingly. • Academic plans and course schedules may need to be altered if ACT or Math Placement scores require a student to take pre-college courses (e.g., MATH 0900, 0921, or 0925) before taking required math or English courses.

Eastern Wyoming College requirements:

In order to graduate, students must successfully complete a minimum of 60 credit hours, 15 of which must be applicable towards graduation from Eastern Wyoming College, with a grade point average of 2.0 or better in courses numbered 1000 or higher. • No more than six (6) hours in courses numbered 1490, 1990, 2490, or 2990 will apply toward the degree; in addition, no course offered under the Developmental Studies Department may be applied toward the degree.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from UW. • Courses must be taken for a letter grade unless offered only for S/U.

Business Administration Online, BS

University of Wyoming

There are a limited number of openings available for the online program. Each application will be evaluated individually for admission. All students transferring to the UW College of Business will be required to apply to UW and be admitted and have a 2.50 cumulative grade point average and advanced business standing before being considered for admission to the program.
