CHEM 2300 Introductory Organic Chemistry	4		
MOLB/MICR 2021 General Microbiology	4		
STAT 2050 Fundamentals of Statistics	4		May substitute 2070.
ZOO/KIN 2040 Human Anatomy	3		
ZOO/KIN 2041 Human Anatomy Lab	1		
ZOO 3115 Human Systems Physiology	4		

Credit hours subtotal: 24

General Electives

Elective	32-33		Electives should work to fulfill upper division requirement.
----------	-------	--	--

Credit hours subtotal: 32-33

B.S.F.C. Human Nutrition and Food

total credit total: 120

B.S.F.C. Human Nutrition and Food Program Notes:

- Students who graduate from the human nutrition and food option will be prepared to pursue careers in human nutrition, the food industry, or to pursue graduate degrees.
- The major requires students to earn a total of 120 credit hours; 42 credit hours or more must be at the 3000-level or above.
- See the "Prerequisite and MPE Cut Score Reference Chart" on the math Placement website for the most up-to-date math placement equivalencies: <http://uwyo.edu/mathstats/math-placement>
- Students may not take a course for S/U credit to satisfy any requirement, unless the course is offered for S/U credit only.

University of Wyoming Requirements

- Students must have a minimum cumulative GPA of 2.0 to graduate.
- Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming.
- Courses must be taken for a single letter grade unless offered only for S/U.
- University Studies Program (USP), Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

College of Agriculture and Natural Resources

- At least 30 hours in the major subject must be completed with a grade of C or better (individual majors may require more).

The University of Wyoming Office of the Registrar provides final approval of degree completion requirements prior to the awarding of any degree.
