Supporting Agriculture Elective *				3		
Elective				3		
Credit hours subtotal:				15		

This is a guide for coursework in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation, and consult with an academic advisor. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

Agricultural Business - Farm & Ranch Management Option Program Notes:

If pursuing a minor in the College of Business, a grade of C or better must be earned in coursework applying to the minor, as well as an overall GPA of 2.5 or better.

* Can be any course in the College of Ag & Natural Resources outside of the Department of Agricultural and Applied Economics. • Credits earned in approved USP PN courses offered within the College of Ag & Natural Resources can fulfill the supporting ag electives requirement.

** Requires Math Placement Exam ≥ 2 . (University standard)

Agricultural Business—Farm & Ranch Mgmt Option, BS
