# Agricultural Business, BS
## Agribusiness Management

This sample degree plan is a guide, to be used for planning in consultation with your academic advisor. Actual course sequence may vary by student. A ▲ symbol identifies courses that must be taken and passed during the suggested semester in order for a student to stay on track toward completing the degree program within four years.

### University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. Courses must be taken for a letter grade unless offered only for S/U. University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

### College of Agriculture and Natural Resources requirements:

The Department of Agricultural and Applied Economics does not allow ag economics (AGEC) or economics (ECON) courses to fulfill the USP Human Culture (H) requirement. If pursuing a minor in the College of Business, a grade of C or better must be earned in coursework applying to the minor, as well as an overall GPA of 2.5 or better.

* AGRI 1010 is an acceptable substitution for Wyoming community college transfer students.
