

## STAMPEDE SPONSORSHIPS >>>

The Wyoming Blockchain Stampede is an incredible experience for stakeholders, state leaders, community members, industry partners, and sponsors alike. UW students have the opportunity to develop new technical skills, build something they're passionate about, meet other students and companies, and learn from some of the industry's best (i.e. you!). Serving as a sponsor for the Stampede provides individuals and companies with the opportunity to highlight your brand, reach a broad audience, and take advantage of strong networking opportunities.
