

Agenda Items for May 29 University of Wyoming Housing Task Force

Co-Chairs: Steve Harshman, Speaker of the House of Representatives and Chris Rothfuss, Senator

1. Massing and spacing of student residence halls - - Caitlyn Clauson, Principal-in-Charge, Sasaki Associates and Stephen Lacker, Housing & Student Life Specialist, Sasaki Associates, Matt Newman, UW University Architect
 - a. How would they look with smaller buildings in the space?
 - b. What are implications of smaller buildings on how many students can be housed?
2. What is the university experience that we want first-year students to have? - - Sean Blackburn, Vice President, UW Student Affairs
3. Alternatives available in creating residential academic programs - - Caitlyn Clauson, Principal-in-Charge, Sasaki Associates and Stephen Lacker, Housing & Student Life Specialist, Sasaki Associates
 - a. Residential academic program alternatives (e.g., living-learning communities) that lead to recruitment and retention of first-year students
 - b. Mistakes made by universities in creating housing for first-year students
4. Alternatives available in building parking capacity - - Paul Kunkel, UW Parking & Transportation, Matt Newman, UW University Architect
 - a. Brief summary of Walker Parking Study
 - b. Discuss how other campuses similar to UW have implemented successful parking/transit strategies by adding a garage
 - c. Mistakes made by other campuses
 - d. Basic cost information (cost/space, above ground vs. underground, maintenance costs permit prices at other campuses w/ garages)
5. Utility tunnels and how they work together - - John Davis, Associate Vice President, UW Operations
6. Start-to-finish timeline - - Matt Kibbon, Deputy Director, UW Operations
7. Driving tour of housing and parking footprint - - Matt Newman, UW University Architect
8. Cooper House tour - - Josh Decker, UW Real Estate
