4. Select Fall 2024 for the Terms Open for Registration and click Continue.

5. Before you are able to register for any classes, you will need to complete the checklist. It will be extremely helpful and time saving if you complete this before attending your New Student Day event. Click on the hyperlink to complete each section. Once you complete each section, you will see a green checkmark next to the item instead of a yellow triangle.

- **Health Insurance Coverage**: This is to purchase student medical insurance through UW. You do **NOT** need to select this health insurance coverage to have access to Student Health Service or already covered through a family insurance policy.
- **UW Alert Cell Phone**: This is for UW to contact you in case of an emergency or important update. You can also select to be sent a text message if a seat becomes available in a course you were originally waitlisted.
- **Addresses and Phone Numbers/Emergency Contacts/Non-UW Email Address**: You will update your emergency contact, mailing, billing, and permanent contact information.
- **Student Financial Responsibility Agreement**: This acknowledges that you understand that by registering for classes you are responsible for paying tuition and fees associated with enrollment.

6. You are all set once you complete the four areas above and they have a green checkmark instead of a yellow triangle. You will not be able to register for any classes until you meet with an advisor and they provide you with your personal PERC number.
