					ELECTIVES (Sufficient to	satisfy 120 hrs	min <sup>10</sup> )	)	

**TOTAL** (120 hrs minimum<sup>10</sup>)

## AGRICULTURAL BUSINESS MAJOR

## NOTES FOR ADVISORS

- 1 Transfer students who earn an AA, AS or AB are waived from all USP requirements except COM3, V, and departmental reqs (MATH 1400 & 2350). FYS is waived for transfer students with 30 or more credits earned after HS, or 1 full year completed at another college (but less than 30 credits completed). COM3 automatically fulfills old I, L reqs.
- 2 Must earn a C or better.
- 3 Or equivalent course.
- 4 A transfer student may fulfill COM2 with an intermediate composition course **and** a public speaking course.
- 5 PN & H may not be fulfilled by AGEC courses or any course cross-listed with AGEC. For the H requirement, language courses are strongly encouraged (e.g., SPAN 1010, FREN 1010, etc.)
- 6 18 hours of upper-division, not including AGEC 4965 or 4970.
- 7 MKT 3210 can either count towards the 21-hours of upper-division AGEC **or** towards upper-division COB, but **not** both.
- 8 Suggest COSC 1200 for most, or AGRI 1010 (for inexperienced users), or IMGT 2400 (for advanced users).
- 9 AGEC students <u>cannot</u> take more than 30 credits in the College of Business, excluding USP designated courses.
- 10 A minimum of 48 credits must be at the 3000 and 4000 level for graduation. At least 30 of the 48 credits must be earned from UW.
