							(Over	.)

- 1. A minimum of 38 credits must be at the 3000 and 4000 level for graduation. At least 30 of the 48 credits must be earned from UW.
- 2. Recommended or equivalent WA course.
- 3. MATH 2350 is required as of Fall 2008.
- 4. Credits earned in USP approved science courses offered within the College of Agriculture shall also serve as Supporting Agriculture credits.
- 5. 21 credits in Ag Econ beyond those earned to satisfy University Studies requirements.
- 6. Recommend AECL 1000, ANSC 1010, FDSC 1410, FCSC1140, PLNT 2300, ENTO 1000 or 1001, REWM 2000 or 3020.
- ${\it 7.~COSC~1200~recommended}.$
- 8. The student is required to take one course in POLS, GEOG and SOC listed plus a minimum of two additional courses. Students may elect to satisfy this with the equivalent INST courses. A maximum of 3 credits of AGEC 4930 can be applied to this requirement.
- 9. An approved international internship or experience is highly recommended for the AGRI Business majors within the International Agricultural option.
- 10. If a student wishes to use their elective hours to contribute to a minor in foreign language (18 hours beyond the 12 hours required, 6 credits of International Social Sciences, Business and Economics requirement can be waived.
