RECEIPT for gift received of Mr. K. W. Rugh, Vice President
Advertising and Public Relations:

placed on shelf in back

HISTORICAL AVIATION ALBUM, Phillips Petroleum Company,
This album is a salute to perhaps the most thrilling
chapter in the chronicles of man. To the fascinating
planes of 'dope and hope' and the devil-may-care men
of 'skill and will' who wrote it in flames across the
Earth's last and most formidable frontier...the king-
doms of the air. To the Jennies...The Fokkers...
The Spads...The Bleriot and other fabulous
planes which numbered the first warbirds of the world,
and which, together with the equally famous fighters
of World War II, were perhaps the last steeds to
carry men into individual combat...to all those who
first participated in the true deeds of 'Duels in
the Sun'...Together they conquered the sky...
20 drawings depicting famous air battles.
