You may want to give this information to Pearl to add to her list of "missing" collections and "missing" items from collections:

In annotating the inventory for the Herman Stein Collection, Acc. #2863, inventory dated October 24, 1968, page 2.

CORRESPONDENCE:

TO: Herman Stein --missing
FROM: Ray Bradbury
Date: May 30, 1953

Copy

TO: Gene M. Gressley (carbon copy)--missing
FROM: Herman Stein
DATE: October 9, 1968

--and from the same collection, inventory dated March 25, 1970, page 19:

RECORDS (Phonograph recordings)

- 6 HAS ANYBODY SEEN MY GAL, 12"
- 7 DUPLICATE of disc #6 (above)
- 7 DUPLICATE of disc #6 (above)

[probably just 2 records are missing--I think the last line is an erroneous repeat of the 2nd line]

Just F.Y.I.

--Linda

Please give Pearl the attached inventory which has been annotated with container #'s.
Thanks
