THE LOUIS C. RAYMOND COLLECTION

RECEIPT for the gift received of Mr. Louis C. Raymond:

ARTICLE AND CORRESPONDENCE: (By Louis C. Raymond)

Decline and Fall of Economic Development, (New York: McGraw-Hill, Inc., 1970).

Two pieces of correspondence sent to Louis C. Raymond concerning the above article. One from B. J. Hamilton on November 20, 1970, and one from Raoul G. Bergman, on December 9, 1970.

MANUSCRIPTS AND ARTICLES: (All by Louis C. Raymond).

- 1). "Investment for Progress", February 18, 1964.
- 2). "An Economic Evaluation of Mining in Chile", July 1969.
- 3). "Will Your Resources be Stolen by the State?", from Rock Products, November 1969.
- 4). "Investment Capital and Mineral Development", from Mining Engineering, August 1964.
- 5). Valuation of Mineral Property and three extra pages of this manuscript. Reprinted from "Economics of the Mineral Industries", July 1959.
- 6). "Diversifying Into Mining", presented October 28, 1963.
- 7). "Life and Death Factors of An Investment Climate", presented February 24-28, 1967.
- 8). "Significant Aspects of the Location, Design, and Operation of High-Pressure Cavern Storage (Man-made) for Natural Gas", presented September 8, 1955.

Biography
Raymond
(B. J. Hamilton)
(R. G. Bergman)

MANUSCRIPTS AND ARTICLES; cont.

- 9). "Profit possibilities in cavern storage of natural gas near major markets", October 8, 1953.
10). "Financing Domestic Mining Ventures", June 1953.
11). "Analysis of the Mineral Tariff Problem", presented 1953.

MISCELLANEOUS

Two Christmas Letters from The Raymonds, 1946 and 1951.
(Made by the Raymonds).

Nine notecards with original Louis C. Raymond prints on the front.
