Edward Everett Horton, Acc. #7369--Addendum

This addendum was prepared to accommodate the books, oversize articles, and other items displayed in the Horton Room which could not be replaced in the inventoried boxes of the collection when the display was dismantled. Included are items listed on the index as stored in the cabinets, and scrapbooks and other wrapped oversize items. These wrapped items and scrapbooks have been numbered and shelved with the collection.

The displayed materials which were removed from inventoried boxes have been replaced and are listed in the original inventory, and items not previously in boxes have been boxed if possible. Some artwork, listed on the main inventory, has been removed to the art room, Third Floor, Coe Library.

Box 126: (music manuscript box)
