

University of Wyoming Air Force ROTC Fact Sheet

Dedication. Drive. Discipline. Decision for Your Future.

Developing Air/Space Force leaders of tomorrow since 1952

Detachment 940 has steadily built upon its premier educational program to commission some of America's highest quality Air/Space Force officers. University of Wyoming's unique AFROTC environment provides cadets with intense training, challenging coursework, and normal university life to instill values of integrity, service before self, and excellence in character.

Cadets in this leading institution come from across the country and UW's crosstown partner, Park University. Each year, Detachment 940 enrolls a diverse freshman class of approximately 30 cadets. The total number of cadets enrolled is near 75. Cadets come from a variety of economic, social and cultural backgrounds and represent a wide range of academic and career interests in air, space, and cyberspace.

Military Commitment

Most Air Force Specialty Codes (AFSC): **4 years**

CSOs, RPAs, ABMs: **6 years** after training

Pilots: **10 years** after two year pilot training

Academic Standards

General Military Course (GMC)

- During freshman and sophomore years, complete aerospace studies classes with a grade of **C- or above** and must pass all Leadership Laboratories.
- Cadets on scholarship must maintain a minimum **2.5 CGPA** and be enrolled as a full-time student at UWyo or a crosstown university.
- Cadets not on scholarship must maintain a minimum **2.0 CGPA**.

Professional Officer Course (POC)

- During junior and senior years, complete aerospace studies classes and all Leadership Laboratories with a grade of **C- or above**.
- Cadets on scholarship must maintain a minimum **2.5 CGPA** and be enrolled as a full-time student at UWyo or a crosstown university.
- Cadets not on scholarship must maintain a minimum **2.0 CGPA**.

Air Force Officer Qualifying Test (AFOQT)

- Required standardized test for all cadets on scholarship or in the Professional Officer Course.
- Test taken sophomore year and can only be taken **twice**.
- Measures verbal and math aptitude as well as additional aptitudes relevant to specific career fields (i.e. Pilot, CSO, Air Battle Manager).

Scholarships

The majority of scholarships are offered to students majoring in engineering, scientific, and technical fields deemed critical by the Air/Space Force.

Type 1 - Full college tuition, most fees and book allowance.

Type 2 - Pays college tuition and most fees up to **\$18,000** and a book allowance. If student attends institution where tuition exceeds \$18,000, student pays the difference.

Type 7 - Pays college tuition up to equivalent of school's in-state rate and a book allowance. Cannot activate a Type 7 scholarship at a non-qualifying school and pay the difference.

Scholarship Length

- **4-yr** scholarships activate in the fall of your freshman year.

Special Programs

Graduate Law – 2-yr program for law students. If selected, students are guaranteed a position as an Air Force Judge Advocate upon completion of AFROTC and law school.

Nursing – Sophomores or juniors majoring in nursing are eligible to receive scholarship and will compete for a position as a Nurse Practitioner in the Air Force upon completion of AFROTC, obtaining their BSN and completion of the NCLEX

Health Professions Scholarship Program – 1 or 2-yr program for Allied Health professionals and 3 or 4-yr scholarships for medical corps and dental corps.

5% of 4-year scholarships are Type 1

15% of 4-year scholarships are Type 2
