

Det 940 Cadets,

Congratulations on your decision to pursue a future with the U.S. Air Force through AFROTC Detachment 940! We invite you and your family to learn more about our organization and your role during our annual AFROTC Orientation (Saturday, 20 August 2022 at 1:30pm in the UWyo Business Building Room 171). Immediately following AFROTC Orientation, we will transition to **nearby Washington Park** for a BBQ/Social. This is a mandatory event for all incoming cadets.

During orientation, we will provide an overview of what to expect at DET 940. We will also go over all **completed** paperwork and provide you (and your family) an opportunity to ask questions and meet the Det 940 Team. You are required to download all documents listed/linked on the Det 940 webpage. These documents are required for full enrollment. Completing this ahead of time will make this streamlined on your end. **Failure to bring all required documents will result in possible membership/attendance delays.** It will also require future office visits to turn in documents. This will use your much-needed free time as a new freshman. This is your first opportunity to display responsibility for your career as well as show you are ready to be a future officer in the United States Air Force. This paperwork does not commit you to military service, but it does allow a smooth transition should you make the decision to remain in the cadet corps through completion.

In addition, please show in khaki pants (No capris/shorts allowed), conservative shirt, black/brown shoes, and black/brown belt. A blue AFROTC polo will be provided, and this will be the uniform for first year cadets. Ensure clothes are clean and serviceable (No holes/stains). Clothes will be of the proper size. Do not wear anything excessively tight or baggy. Hair will be neat and presentable and of natural color.
