

**UWAA Women's Leadership Recognition Profile,
Former UWAA Board Member:**

Kristin Wilkerson

How many years did you work for the UWAA or were on the board?

**Former UWAA Board Member,
2012-2015**

**Degree(s) received from UW:
JD 2007**

What did you enjoy about being on the UWAA Board of Directors?

I enjoyed the opportunity to give back to UW and to remain engaged with the University. I enjoyed getting to know other alumni from throughout the state.

The alumni association is not only a great organization keeping alumni engaged and connected to UW but also provides great support for current UW students.

What is your favorite board memory or favorite UWAA memory? I always enjoyed attending the annual Scholarship event. Additionally, one memory that sticks out, was during our board meeting in April 2015. Laramie had a snowstorm that dropped tons of snow. It impacted travel plans for the board meeting as well as the annual event, but we made the best of it and a great time was had by all.

What advice would you give your younger self?

Don't be afraid to try something new. Force yourself to get out of your comfort zone. Its only through failure that we can achieve success.
