**What do you enjoy about being on the  
UWAA Board of Directors?**

I enjoy being a Board Member because  
it allows me to still be involved with

the UWAA, and it provides me with a voice in helping the organization grow to it's fullest potential. Plus I love meeting all the other board members and seeing how committed and connected UW alumni are across multiple generations.

**What do/did you enjoy about working for the UWAA?** When I worked for the UWAA I loved seeing how motivated all my co-workers were to executing the UWAA's mission: Build pride, loyalty and future sustainment among the UW Community through communication, involvement, engagement. They all loved UW so much and want to continue to share and spread that Poke Pride world wide.

**What is your favorite board memory or favorite UWAA memory?** My favorite board memory is attending the scholarship receptions and auctions! I attended my first one as a UWAA scholarship recipient. My second was as a UWAA employee, and my third as a UWAA Board Member. I've come full circle with the UWAA and it's been an amazing and memorable experience.
