Fully Cooked Smoked Cowboy Prime Rib Roast — \$90

“Cowboy Branded” roast feeds 6-8 people, approximately 5 lbs. This fully cooked, hickory smoked roast is seasoned with the UW Meat Lab’s Cowboy Roast Beef Rub.

Easy Preparation! — Place whole roast in cooking bag with 1/4 cup water. Place sealed bag in 9x13 pan. Reheat roast at oven temperature of 300° F to desired degree of doneness (~2 hours). Periodically insert meat thermometer in geometric center of roast to monitor reheating progress. For best prime rib results we suggest a Medium Rare degree of doneness. Rare = 140°; Medium Rare = 145°; Medium = 160°; Well = 170°
