

# Congratulations!

The University of Wyoming Art Museum would like to congratulate those students that received awards for their work in the 47th Annual Juried UW Student Exhibition. This year, 67 students submitted 178 works of art for review. Of those, 55 pieces were selected from 42 artists. During the night of the virtual awards ceremony, college deans, the Art Museum National Advisory Board, businesses, individuals, Student Art League, and the juror presented 42 scholarship and purchase awards cumulatively valued at over \$11,000 to students of their choosing.
