

A&S OUTSTANDING FORMER FACULTY
COLLEGE OF ARTS AND SCIENCES
UNIVERSITY OF WYOMING

GUIDELINES FOR NOMINATION

Former living faculty are eligible if they have been retired more than five years.

Do you know of a former faculty member who was inspirational to both students and colleagues; who became a role model for those inside and outside their profession? Consider nominating that former faculty member for this special award.

Nomination packet should include:

1. Nominee's short bio and resume or curriculum vitae.
If you are a university department nominating a former faculty member, please submit the above with your nomination form. If you are an alumnus/a nominating one of your former professors, we may be able to help in obtaining the bio and resume or curriculum vitae.
2. A letter of nomination.
3. THREE (minimum) supporting letters but no more than five.
Letters should provide a broader view of the nominee's accomplishments as well as reflect on the nominee's teaching, research, administration, public presentations, community service, and awards.
Suggested contacts for letters of support: former UW students and university colleagues; colleagues and acquaintances of civic or discipline-specific organizations; colleagues at other institutions; family members of the nominee.
4. Nomination form.

Please send nomination packets to Michala Drum (asdean1@uwyo.edu) and Adrienne Freng (afreng@uwyo.edu) by November 8, 2024.
