SENATE BILL #1158

Title: American Bar Association Convention

Codification Number:

Introduced: May 4, 1976

Thesis: American Bar Association Convention

Sponsor: Ron Copenhaver

1. Be it enacted by the Student Senate of the Associated Students of the
2. University of Wyoming that the Potter Law Club be allocated ~~\$300~~ to help
3. defray travel expenses for students attending the American Bar Association/Law
4. Student Division Convention and the American Bar Association Convention on
5. August 7-10. It is felt that such an allocation is justified on the following
6. basis: (1) That information pertinent to current legal developments will be
7. gained; (2) that the benefits will accrue not only to those attending but to
8. other University of Wyoming Law students. The information gained will be shared
9. with the other students. A delegation from the Wyoming Law School will enhance
10. the prestige of the Law School; and (3) that benefits will accrue to all
11. University students. The Law School will host the fall round table for 10th
12. circuit of the Law Student Division of the ABA. With a delegation at the
13. National Convention, speakers can be contacted for the round table. The speakers
14. would be of interest to all students. It also is felt that efforts will not be
15. duplicated because students will be attending several different sessions held
16. simultaneously. The allocations of money will be for the following:
17. Travel ~~\$300~~ -- Total ~~\$300~~.
