

SENATE RESOLUTION #1169

Title: Improvement of Parking at the East Stadium Lot

Codification Number:

Introduced: September 28, 1976

Thesis: Improvement of parking facilities at the East Stadium Lot

Sponsor: William S. Weber

1. Be it resolved by the Student Senate of the Associated Students of the
2. University of Wyoming that whereas the UW enrollment is growing and the
3. UW parking problem is compounded, let the UW administration be urged to
4. begin to implement solutions to the parking problem. Whereas the East
5. Stadium Lot (E.S.L.) is presently used six times a year, we recommend that
6. the E.S.L. lighting be immediately improved to a viable level so that the
7. UW Campus Police can begin to maintain regular 24 hour patrols of the E.S.L.
8. We also urge that further improvements to increase the parking desirability
9. of the E.S.L. commence with the advent of good weather in the spring. If
10. these conditions are fulfilled, we encourage on-campus residents to park their
11. vehicles at E.S.L. rather than on Laramie city streets.
